

# Prayer Church Restoration

**As I believe if you pray this together with me it will bring forth change and will bear fruit. I have no doubt whatsoever since I have seen the outcome through time.**

I speak unto heaven and earth, As I speak to every corner of the structure of the Church Let all things come into the light in Jesus Name

Before all the testifiers in heaven; I call forth change, I call forth reformation in Jesus name

Let all lives come in line with the Kingdom of God, May all double agenda's become exposed I address all selfishness in us mankind and expose it for what it is

- I declare that selfishness changes into heaving hart for Gods work
- Let reformation come forth into leadership so that we become exemplary
- I prophecy unto the foundation of the structure and let live come forth
- Now let new praise and worship be established in us for You to build You're thrown All will change, nothing will stay the same

As I call forth & upon diligence, righteousness, peace and Joy in the name of Jesus Christ

- We will be testify and preachers of the Gospel of Jesus Christ
- I speak forth growth and I call forth revelation
- We will possess the land for the establishment of Your Kingdom in the earth
- All in the Name of the Glorious strength of Jesus Christ, Who is the ruler of everything.

## Repentance prayer for the church

For now I as a responsible member of the church speak of the on behalf congregation

- There where we are in trial May the cause be exposed
- There where we have failed may we be forgiven
- There where we did not pursue You with our whole heart in such matter that it became noticed by you forgive us.
- There where we have lacked to full fill our commission forgive us
- If we allowed ourselves to die, then let live come as a restoration
- Show us where we missed, where we were blind or deaf
- Their where cracks have occurred in the unity based on our perceptions forgive us.
- If we spoke judgments then now we recall the words.
- There where we criticized forgive us and let us become uplifting from now on.
- Please restore the scars by your anointing

If we spoke while you wanted to speak, we apologize and please make us perceptive for your guidance. If we did not speak there where you wanted us to speak please help us to be bold. If we spoke where should have been quite pleas put a watch for our mouth.

In Jesus Name
