Worship for God

Define for me Worship, what does God really consider worship. What's the use of it? There are certainly people that I do not want to hear worship to be honest, no offence. There have been times I even barked like a dog, it took the Holy Spirit tremendous effort to even let my voice sound in such way that it became acceptable for others to listen to.

I don't know how He did it but now if I am lead by the Holy Spirit there is substance. I can sing and know that I am in the throne hall of God. But it is not my calling and still God through is indefinable Grace, granted me a special anointing.

I always had to sing, if I can't sing? Then I would feel lost!
I am more a worshipper than a praise person, I love to worship it has become my heartbeat.

Worship for God is so important that He even build his throne on our worship.

That at itself speaks about such a blessing that God Himself finds our worship so impressive and important that he even is willing to abide within it. There are different types of Praise and Worship but there is only one foundation;

1. Worshipping in Thanksgiving
2. Worshipping in Holiness
3. Worshipping in pain and sorrow
4. Worshipping in humbling
5. Praising in thanksgiving
6. Praising Gods Glory
7. Praising Gods greatness

These are a few examples of what praise and worship can be.

The word Praise has multiple meanings the most common ones are exalts or glorify :

Luke 1:64 And his mouth was opened immediately, and his tongue loosed, and he spoke, and praised (**exalt or glorified**) God.

Luke 18:43 And immediately he received his sight, and followed him, glorifying God: and all the people, when they saw it, gave praise (**Glory**) unto God.

Luke 1:64 And his mouth was opened immediately, and his tongue loosed, and he spoke, and praised (exalt or glorified) God.

Luke 18:43 And immediately he received his sight, and followed him, glorifying God: and all the people, when they saw it, gave PRAISE (Glory) unto God.

The word worship also has multiple meanings;

- ✚ as praying or
- ✚ seeks the Lord or
- ✚ Honoured or humbling.

The strongest explanation is;

- ✚ PROCLAIMING – PROCLAMATION

Worship for God

Genesis 22:5	And Abraham said unto his young men, Abide ye here with the ass; and I and the lad will go yonder and WORSHIP (Pray or seek) , and come again to you.
Genesis 24:48	And I bowed down my head, and Worshipped (seek, honoured) the LORD, and blessed the LORD God of my master Abraham,
Exodus 24:1	And he said unto Moses, Come up unto the LORD, thou, and Aaron, Nadab, and Abihu, and seventy of the elders of Israel; and WORSHIP (Separate) ye afar off.
Exodus 34:8	And Moses made haste, and bowed his head toward the earth, and Worshipped (humbled himself).
Deuteronomy 4:19	And lest thou lift up thine eyes unto heaven, and when thou sees the sun, and the moon, and the stars, even all the host of heaven, should be driven to WORSHIP (Proclamation) them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.
John 9:31	Now we know that God hearth not sinners: but if any man be a WORSHIP (follower) of God, and doeth his will, him he hearth.

Imagine this; we are created in the image and likeness of God. No for example; if we would have a neighbour that was singing a song or playing music for years and years to come. Same music and same songs, day in day out. You probably would put on your Christian coat and bought him some new CD's as a soft hint. If that would not work you would sit down and try to reason with him to please, please have pity on you and take in consideration that his flavour already wend way beyond your abilities (especially the Christian once). If he still would not listen then I am fully convinced you would explode, or cry a lot asking God for a lot of mercy and why God is testing you. I for one hand would beat him up to be honest and then deliver him from his music choice in Jesus Name.

The secret services uses repetition music to torture people to brain washes or breaks them down. Are we trying to brainwash God? Are you trying to wore Him out?

I can come into churches and when they start singing psalms, praises I want to scream. No I want to beg stop please stop. I have heard this now for 20 years its old, don't you get it? These churches are so drained of the presence of the Lord there is no Holy Spirit dwelling anymore. They left 20 years ago; they loved it when the creator sang it and when that person thought others this new song. But even the person that wrote the song by inspiration left it behind 20 years ago.

Have you ever saw a artist that had tremendous success years and years ago and then his success left him. Then like 15 years later that same person pops up in a show to sing that song of years ago. I all ways feel sad, like that person is to regain some old success. What happened with his live afterwards? No progression and still living in the past.

God build His throne on the praises of His people. Meaning he needs material to build that throne. That throne will never get finished if we are presenting Him the same material once delivered by others. You cannot build a whole house with the same 10 stones you once bought years ago.

Worship for God

That's nonsense, why don't we understand that this same principle is applied for God. He can no re-use the same material over and over again. That throne is never getting finished and it is us to blame.

What I also find amazing is that people always know how to create their own little LALA songs. I love you, you love me let climb together in Gods three. Or love to copy songs we adjust a bit the melody and then pretend it to be new song. Now we may say hey but it is new to me! On the types of song we can hear the deepness of inspiration through His Spirit. Many times songs are created on our little emotions, a momentum of our flesh. The sun shines so bright o please hold me tight, etc. etc.

King David was in good in what he was because he sang songs right out of his heart. I says God; seek worshippers in Spirit and in truth Meaning He wants to hear you lead by His Spirit. Your song, your heart, your words; why else did He give you a voice and heart.

Now many people still can sing but don't do it in public, confine your space to the shower. But in God's name still sing; give utterance of the expression of your being towards God.

Understand this when God decided to create you He took a part out of Himself and gave it a name, a will, a mind and a voice. That's why God wants to hear you, because when He hears you he hears a part of Himself that it seeking its way back to the Creator. Everything came forth out of God and all shall return to God. You are representing God on this earth through a part of His identity and there was no one before you and no one after you that can give utterance or do that what you were called to do. So your unique, you are here because it was destined (regardless circumstances). Now Give God the offering of your heart by singing your own live story as King David did.

Worship is sacrificing of your most inner being towards the Lord, that's why God loved King David so much. This man would pour out his hart in every new situation. I do not know if you know the history of Blues and Gospel? However most of it was created by black slaves when they lived in captivity. The greatest Gospel songs came out of that time; they literally would sing their daily lives to Christ. That's the same principal they used as King David did, he was the bible greatest worshipper. He was willing to share his hart with God.

He cried GOD make me the apple of your eye as a seal on your hart:

Psalm 17:8 Keep me as the **APPLE** of thine eye, hide me under the shadow of thy wings,

Proverbs 7:2 Keep My commandments, and live; and my law as the **APPLE** of thine eye.

Songs of Solomon 8:6 Set me as a **SEAL** upon thine heart, as a **SEAL** upon thine arm: for love is strong as death; jealousy is cruel as the grave: the coals thereof are coals of fire, which hath a most vehement flame.

Worship for God

David cried and said I need to be close to you or else I am suffocating. Let me dwell in your tent forever and cast not thy Holy Spirit from me:

Psalm 15: 1-2

A Psalm of David. LORD, who shall abide in thy tabernacle? who shall dwell in thy holy hill?

He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart.

Psalm 51 :11

Cast me not away from thy presence; and take not thy **HOLY SPIRIT** from me

God seeks worshippers in Spirit and in truth those who are willing to give it all for the sake of the greater good. God does not want lukewarm people He wants your whole heart, he is not planning to share you with anyone Ex. 34 verse 14. And Zec. 1 verse 14 clearly states that God is a Jealous God. If you approach Him then to it fully without holding back, else you would be acting like Ananias and Sapphira (Acts 5.)

John 4:23

hour cometh, and now is, when the true **WORSHIPPERS** shall **WORSHIP** the Father in spirit and in truth: for the Father seeketh such to **WORSHIP** him.

- Are we willing to Sacrifice our self's or is it only going to be word(s)?
- Are you prepared to lay you Isaac on the Altar, what is your greatest longing?
- Are you going to give up what stands between you and your God?

Because we do not want to anger God by bringing our Idols into his House correct? However we are doing this every time when we approach God without having given up our things. OUR God is a Jealous God, He is not willing to share your heart with anyone else. If you approach Him you have to give it all. (so now this is not an excuse for some to dumb their spouse) let's keep all into context.

That's why you even first need to build an Altar even before you can start building a House. How do we build an Altar, through worship and prayer, purging ourselves of our fleshly longing and putting it one by one on the altar. However you cannot start burning everything before you have built the altar.

- Confusing?
- I know!

Sometimes it seems so difficult but believe me it! However afterwards when the job is done you think back and say was that all. Why have I been so difficult about this.

Let's do step for step how do we build the altar.

Genesis 12:7

And the LORD appeared unto Abram, and said, Unto thy seed will I give this land: and there builded he an **ALTAR** unto the LORD, who appeared unto him.

Worship for God

Here it clearly states that an altar is built as a conclusion of a new covenant. So if we would replace the word Altar for honouring/praying to the Lord. We have the same translation as for worshipping. Everywhere Abraham went into the promised land he build an Altar, on each place he stayed for a while. (this land Is later on given to Israel). Then the time has come that God asked for is whole hart a total commitment

Genesis 22:9 And they came to the place which God had told him of; and Abraham built an **ALTAR** there, and laid the wood in order, and bound Isaac his son, and laid him on the **ALTAR** upon the wood.

1 Samuel 1:3 And this man went up out of his city yearly to WORSHIP and to sacrifice (**Which equals our hart**) unto the LORD of hosts in Shiloh. And the two sons of Eli, Hophni and Phinehas, the priests of the LORD, were there.

Psalms 138:2 I will WORSHIP toward thy holy temple (which is our hart), and praise thy name for thy lovingkindness and for thy truth (Which is in our hart): for thou hast magnified thy word above all thy name.

So on their journey they had to dig wells to get new fresh water for the flogs, so they could rest there. That's why it is important for ministers to make sure they have new revelation, leading the flog to green pastures. You cannot keep on drinking out of a old well. Cause in time it dries up and what you will be putting Is the mud. People need fresh manna, because if they drink the mud it will grind their toots. So new revelation and songs are very important, since not all are able to dig wells only those who received the commission, they who were pointed out by covenant.

Genesis 26:25 And he builded an ALTAR there, and called upon the name of the LORD, and pitched his tent there: and there Isaac's servants digged a well.

Later on we can find that Jacob is called to come to the House of God which is Bethel and to dwell there (see also Psalm 51). And establish and Altar there.

Genesis 35:1 And God said unto Jacob, Arise, go up to Bethel, and dwell there: and make there an ALTAR unto God, that appeared unto thee when thou fleddest from the face of Esau thy brother.

The Altar building was done by the three earth fathers Abraham, Isaac and Jacob, all do Noah build an Altar he is not always considered as one of the earth fathers. The difference is that to Abraham and his children was promised the land of Milk and Honey. Now if you look at the time the people where led out of Egypt by Moses he started to pick up the same habit as the father did. He was the expression of the coming deliverer which was Christ. However Moses was the carrier of the covenant, the commission while Jesus was the fulfilment of the covenant and the commission. Back at us we became the carrier of the covenant and the commission again since Christ lives in our hart

Moses receives the ordination for building the Altar:

Exodus 20:25 And if thou wilt make me an **ALTAR** of stone, thou shalt not build it of hewn stone: for if thou lift up thy tool upon it, thou hast polluted it.

Worship for God

But God clearly ordains him not to build one that was worked by hands of men. Who lets think about that for a moment. The Bible says if God does not build His house the labourers will work in Vain. At the same time Jesus is the foundation of our faith and later on the Bible says on this rock (which speak about rug stone) shall I build my church. On the foundation which I laid within you I shall build my house is the right translation. That's why God did not wanted an alter made by stones formed through the hands of men. But formed by the strength of Nature created through His hand in which His son was placed on that same altar to die for us.

Let's summarise:

1. First Covenant (receiving a commission)
(Mark 16, Lucas 20, Acts 2, etc.)
2. Journey working out of covenant (laying down the measurements)
(also read scriptures about Ezekiel regarding the measurements of the temple)
3. Laying down your hart (offering)
(Exodus 25 verse 2)
4. Digging a new well
Num 20 verse 17 (going the kings highway without drinking from the strange wells)
Deut 6 (describes not to use well not diggedst yourselves)
Same like fo not eat from the three knowledge god and bad.
5. Building the house
(1 cor 3 verse 10)

Consider the Costs

There is one thing to consider that there will be a time that of preparation and education. When that time is over God expects a full commitment and if not again there is a price to pay. The bible speak about consider the costs, this scripture is commonly used for earthly things, but that's wrong. Because there are many scripture in the word of God that clearly states do not look at your circumstances (meaning in the natural dimensions). By the way a great scripture for if your mailbox is full with bills just don't look at them. Burn them and then say well God you told me to keep my eyes on you. Hope the creditor things the same.

Again consider the costs, because if you choose to follow Christ the moment comes that you have to give it all. If you are not willing to pay the price don't start of on the Road, because if you make a covenant with God which equals as promises He will hold you to it.

The sons of Aaron where prepared and learned how to bring the offering, they were well educated men. They become sloppy and did not follow the rules accordingly they learned. That little mistake cost their lives.

Exodus 30 verse 9 Speaks about no strange offerings

Leviticus 10 verse 1 and 2 Aarons sons brought strange fire for offering and died for doing so

Do you understand how important praise and worship is to God? But it does not only has to do with Praise and Worship but also with you as being a minister. Getting scarred all ready, yes? Good! The beginning of the fear of the Lord, at least you will have wisdom at the end.

Now I can keep on going but if I do not stop hear we will be here next year. So I have to call upon the adult man in Christ within you to receive the revelation.

Worship for God

Every knee shall bow and every tongue confesses that Jesus Christ is Lord. God wants to hear new things he loves to hear your confession, that you humble yourself and acknowledge that there is no other God the Yahweh. The bible speaks of keeping your tongue under control and let blessing and curse not come out of the same mouth. Because if you start praising and worshipping you are stepping in the offering mode. If your hart is not Clean then you are offering like Cain and the offer will be rejected. If you open your mouth does it produce clean air or is it like the gutter. Hard words? Yes! But you need to start understanding that we are not playing some game, you need to become serious.

If one the one hand you speak blessing and on the other hand curses that equals Idolatry. That's what God means with prostitution and fornication, because your using you mouth for blessing and curse. That should not be the case, foul language, Gossip, criticising man or woman of God. Aaron and Miriam made the mistake criticising Moses, well they ended up with a whole new look. Like the cast outlook.

Lets talk about what God does with our praises

Psalm 22 verse 3

But thou art holy, O thou that inhabits in the praises of Israel.

He Lives literally in our praises

Psalm 89:1-4, 15

For I have said, Mercy shall be built up for ever: thy faithfulness shalt thou establish in the very heavens.

I have made a covenant with my chosen, I have sworn unto David my servant,

Thy seed will I establish for ever, and build up thy throne to all generations. Selah.

And the heavens shall praise thy wonders, O LORD: thy faithfulness also in the congregation of the saints.

Psalm 89:15

Blessed is the people that know the joyful sound: they shall walk, O LORD, in the light of thy countenance.

Verse 3 speaks about covenant that God made with King David, beside David being a King he was also the psalmist in the Bible. He really could move God through his songs. Verse 4 states; God says you know what out of you blessing and salvation will come through the earth. And I build up thy throne which is the Throne of Christ. Christ now inhabits our hart the throne of Christ is established in us and God fulfilled His promises in which he states that He will dwell in the midst of His people. Verse 15 describes the promises of even walking in the face of His Glory if you know the joyful sound. Wow this really a staunch me, what an amazing promises. So with the praises that comes out of our hart we secure our generation, we received the ability to bring the Salvation and blessing to the earth. We are throne builders and expanders of Gods sovereignty throughout the earth. We are furniture movers that mean you need a lot of horse power within your motor to move the throne of God.

Worship for God

So now we know that God build His throne on the praises of His people lets speak in common sense. If you are building a house you cannot keep on using the same stone. Or if you are building together and one has laid a stone are you going to steel his stone to finish of you own work? So while he is building a wall, turn around to pick up a new stone and then when turned back. Someone has stolen his stone and he keeps on placing new stones in his Gap. While someone else is finishing of hid work by steeling or using the stones of others. That's the same like steeling the words of another prophet or like the bible says in **Jeremiah 23 verse 30** they prophecy the words of other prophets.

If I have neighbours that would sing the same songs over and over again year after year. I first would ask them politely please stop, if they would continue then I would offer them money so that they could move to another area within the city. If they still do not listen then I probably would beat them up.

Why do we think God loves to hear the same song over and over again? He comes to the church meeting in His Holy Glory and even tells the angels watch hear we going to hear them sing a new sound. He is so excited and anticipating and then the multitude starts singing:

- Go tell it on the mountain, over the Hills and by the sea
Or
- God I praise your holy name and love to sing your praises

Then God starts crying, tears rolling over His cheek. Michael turns and wonders why God is crying so he asks Him and says God are you so moved by their expression. Then God turns back and say know I am crying because I am hearing the same song over and over and over again. While the congregation keeps on singing Gods say come let's look at a new star get born in my Universe and He moves on. While the church felled a moment of His presence they think He came on their praise and worship.

Ok let's become biblical where did it all start? Even before the earth was created we had satan, I know I do not like him either however he does play a role in this.

Ezekiel 28 (This talks about Lucifer)

- 13 Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy **tabrets (drums) and of thy pipes was prepared in thee** in the day that thou wast created.
- 14 **Thou art the anointed cherub** that covered; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.
- 15 **Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee.**
- 16 By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire.
- 17 Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

Worship for God

So Satan was the Cherubim responsible for all music the one of God heavenly rock. He was able to steer up the whole heavens. Believe me when he started the place really hit off. He still has abilities to let music rock the place. But he can't do it through the inspiration of the Holy Spirit anymore, so his music seriously lacks the anointing and the Love of Christ. Now let's not think that the Anointing and the love of Christ only make soft little tender songs, because then you are complete mistaken. So little Satan is able to let the place rock here on earth however it does not bring or carry the Glory of God anymore. So you get all these freaky tendencies of music which even from time to time sounds great, because if it did not sound attractive the youth or worldly people would not fall for it.

We also must understand besides bringing an unclean heart/mind into praise and worship is considered as strange fire so is also using music out of the world and then write a Christian text on it.

So God lost a Cherubim that was in charge of the worship in which the instruments were created even as Ezekiel describes. Then God has a divine plan to do something new He creates mankind into His likeness and image. And give them a heart of an worshipper, however before you are that educated worshipper you first have to handover your heart. That's why God says I seek worshippers in Spirit and in Truth, again even God copies but do not paste but in a whole new way.

God also wanted people to understand that Praise and worship is an expression of the feelings within you. So the Holy Spirit that lives in you and knows everything that there is about you wants to exalt the father through you. O how I wish you all were ready to understand and receive the whole picture about how the dimensions and the body of God works. My longing is for you is to grasp it but there is a time for everything and do not want to create an overload. Without wanting to frustrate anyone, but this is basic theology there is so much to tell!

Ever read the story of Jacob and his wives, my goodness it is just like series on television. Full of intrigue, jealousy, multiple wives, it was of the stories man would like. But then you would read it with the flesh so keep your fantasies under control, yes.

Now here is Leah, she must have been real ugly (at least that's what we presume if we read the story). Because no one wanted to marry her, so if anyone things I will be stocked without a partner then take comfort even Leah found someone.

Now Leah was frustrated and so in search for Love, she had it all money, food, roof over her head, a bright future. BUT she did not have the heart of her husband, she was married but the broom was neglecting his bride. In that sense we can understand that Jacob still was called Israel. His transformation was not complete yet.

Leah gave finally birth to a son which she called Judah

Genesis 29:35 And she conceived again, and bare a son: and she said, Now will I PRAISE the LORD: therefore she called his name Judah; and left bearing.

Worship for God

Out of here longing for the hart her husband praise got born. Let's stop here and meditate on this. This itself is a prophetic moment of the Christ to be born. Out of the cry of mankind a redeemer was born. Bring Hope, New chances, a total new sound to the earth.

That was the same for Leah when Judah got born, something changed within hear she received restoration and did not felled anymore a shamed. God saw hear pain and brought deliverance to here.

However before you really can praise you first have to cry out to God. There must be an craven deep within you. Having a nice voice and singing some lovely Hymns make you a person of praise & worship. That's a mistake churches are full with nice singers and instrument players singing beautiful songs and having great voices but it is shallow.

THERE must be a craven unto Heaven, something must make God Arise. You can't teach this, you cannot hand it over. IS THERE SOMEONE THAT WILL CRY UNTO HEAVEN AND SAYS GOD OH MY GOD HERE IS MY LIVE. Not your little prayer of repentance is there something with in you that says I am ready to die for you. Is there something wordy to be found within you that makes the father stand-up and send his Holy Spirit to conceive new seed within you? That will make you a praise and worshipper not someone who is skilled and trained but this who live out of the hart.

1. That's why God says I seek worshippers in Spirit and in Thrust
2. That's why God says I long for a broken heart and soul (humbleness which is not being insecure)
3. That's why God says I hate your offering because it is learned by humans and is not a thing of the hart.

Let someone bow down and shout and cry God take me **GOD TAKE and USE ME**

Genesis 49:8 Judah, thou art he whom thy brethren shall **PRAISE**: thy hand shall be in the neck of thine enemies; thy father's children shall bow down before thee.

Less you become like Judah, less you become like Christ, less you become a praise and worshipper. You will not experience the power the might the greatness and the fullness of His Glory. Well I can't sing or well I can't play, most common wining of people. Well I am not really into it or that's not for me. Well then you have a serious problem, cause God is in the business of Praise and Worship and unless you not start getting up from your lazy bud and shake of that religious mentality you will not be the builder of Gods throne.

Ouch, not my word Gods word

So not wanting to be Judah means not being a leader, your hand will not be on the neck of your enemies. But we want to bring revival and reformation? Well start worshipping because that will many times be more effective than our boring preaching. Don't misunderstand me teaching is very important but one cannot work without the other.

Worship for God

Praise and Worship

As I am writing a book this moment of the mistake or better the misunderstanding on Spiritual warfare so is Praise and Worship used for Spiritual worship as well. In the bible we will find that many times song were sang by the people during war time. To magnify the Lord and speak about His greatness. Songs were sang to boost up the hearts of the people and to release some faith within them and boldness for the fight to come. However singing songs is not praise and worship, they are just songs.

Or do we believe when we killed during the war and blood is on our hands we can come for Gods throne and then honour Him? DO you expect God to accept this or to be so? Yes we have a dimension of warfare (in which I do not want to go into now), which sadly to say totally misunderstood and based on wrong doctrines.

Praise and Worship is Initiated through the Holy Spirit within our hearts and then released as an offer to the Father. The Holy Spirit is a Spirit of Love that does not sound like warfare does it? If we want to use scriptures out of the Old Testament to justify Praise and Worship to be used for Spiritual warfare the least also apply the law. Which clearly speak about cleansing clothes and body before entering into the Holy of Holiness. If you have touched a death body you needed to cleanse yourself and purge the stains. Normally you would be unclean for seven days, so seven day's no worship. Stop flying around because people start becoming like a fly around Gods ear. He has given us a brain why don't we use it?

We have not been created for Warfare but for Praise and Worship. Adam and Eva where not waging war against satan in the Garden of Eden, now this same Garden is and expression of the Kingdom of God. That Kingdom is established in our hearts, the kingdom of God is righteousness, peace and Joy; not righteousness, war and joy.

2 Samuel 22:4 I will call on the LORD, who is worthy to be **PRAISED**: so shall I be saved from mine enemies.

1Chronicles 16:35 And say ye, Save us, O God of our salvation, and gather us together, and deliver us from the heathen, that we may give thanks to thy holy name, and glory in thy PRAISE.

Call upon the Lord He shall save us from our enemies; not us shall save us from our enemies. Does God not say don't fight I fight for you in Exodus

Exodus 14:14 The LORD shall **FIGHT** for you, and ye shall hold your peace.

Fight the good fight in the following scripture means standing your ground

Titus 6:12 **FIGHT** the good **FIGHT** of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.

Praise and worship is also achieved by ordination. But ordination through QUALIFICATION.

Worship for God

Have you proven yourself worthy to receive the anointing of the psalmists? What you must understand I do believe in good education putting effort in whatever you can. I always say; Do your best and God will do the rest

But the reason why education on itself, or a good voice will not qualify is because do not want it to become a boasting out of the flesh. I can tell you remarkable stories about people that are not able to play an instrument or even sing like a seal on its deathbed. Then the Holy Spirit came and they are totally caught or captivated by the Anointing. They sing /play the most beautifully songs and melodies like you are in heaven itself. Then when they are done it sound like crap from the moment they start trying. Even I song like a dog when I was younger, but was so determined to be reformatted. Now the Holy Spirit did change my abilities to a certain extend and can sing 20 times better than I did before (still would like more by the way). Even received the anointing of the Psalmist by another man during a service which is a great Psalmist with a Prophetic Dimension. Everybody that had it on his hart and new he was called to be a psalmist was called forth. So a group was standing in from and I was in the back cause I did not felled that God was calling me for this. However in my own private moment I am good in praise and worship and considered it as blessing of the Lord. Then this Psalmist stepped right through the group came into the back and out of the blue anointed me. For me that was confirmation as in another time a strange man came up to me and said your one of the few that knows the high praises of God, I thought wow. He confirmed what I already new, but it was good to hear that God wanted me to be confident on that level.

2 Chronicles 29:27 And Hezekiah commanded to offer the burnt offering upon the altar. And when the burnt offering began, the song of the LORD began also with the trumpets, and with the **INSTRUMENTS** ordained by David king of Israel.

Ordination is a necessity all do God is not limited to ordain people without people, lets never make that mistake. Sometimes God calls people directly without our consent. Then we feel us self's passed by and start asking questions in unbelief , making a person's live hard. Who do you think you are? In which church do you come? Do you have a church?

Sorry but sometimes we really act like satan in the dessert and are being religious, only because God did it in His way without asking us for permission. We are so afraid of having to deal with pretenders that we are scarred that it is a false Christian, Prophet, Apostle. Well maybe you are a false pastor without knowing that it?

Installing Psalmists to govern the singers that are appointed to lead the people to the heart of the father in praise. Now a psalmist is not a singer all do he sings or plays. A psalmist is he who reigns and is educated to bring the people into Gods court and to His altar. Again watch out not to create methods, but we can use building blocks as basic principles. Copy but do it in a new way, that's the only way to succeed.

1 Chronicles 15:16 And David spoke to the chief of the Levites to appoint their brethren to be the singers with instruments of **MUSIC**, psalteries and harps and cymbals, sounding, by lifting up the voice with joy.

Ecclesiastes 2:8 I gathered me also silver and gold, and the peculiar treasure of kings and of the provinces: I gat me men singers and women singers, and the delights of the sons of men, as musical **INSTRUMENTS**, and that of all sorts.

Worship for God

As discussed earlier gather skilled full people, to bring in remembrance that the Old Testament is build out of Gods Spirit into the Natural. While the New Testament Christ has built out of the Natural into the Spiritual. We have received the ability to do both out of the Spiritual into the Natural and out of the Natural into the Spiritual.

For example to establish Christ Kingdom into the earth and building Gods throne through our praise and worship. They who really want to be a praise and worshipper to lead the people in this dimension needs to train himself there is a time of preparation. Also this does not only belong to woman, I am emphasising this since we see much more woman bringing praise and worship then man, like if it would belong to woman that's not right.

All do it does not concern the topic of Psalmist I will tackle it right away. In short The bible speaks about false prophets and apostles and Christians and states the following things;

They come forth out of us but where not from us; most of the times these so called false prophets or Christians or apostles came out of your own congregation. At least that's what happened in the bible and Paul was addressing it. They did not came from another church, it could be! But many times came out of their own fellowship, these where people that where not open for correction.

A false apostle, Christian or prophet is most of the time not willing to be corrected. And they all ways have are leading the heart of the people away from Christ. A Christian, Apostle or Prophet that makes a mistake is not a false one they might be misguided but not necessarily false. Balaam and Jonah is a good example.

Balaam was a false prophet because he became un teachable and wanted to curse the people of God. Drive a wig between their God and lead them into sin. Jonah on the other hand was misguided and frustrated but His hart was in the right place, He rebelled but had not the intention to drive a wig between God and the people. Very simple eeh.

Ok let's get back to the topic of Praise and Worship. We need to understand the principle of unity.

2 Chronicles 5:13 It came even to pass, **as the trumpeters and singers were as one, to make one sound to be heard in praising and thanking the LORD;** and **when they lifted up their voice** with the trumpets and cymbals and instruments of music, and praised the LORD, saying, For he is good; for his mercy endured for ever: that then the house was filled with a cloud, even the house of the LORD;

2 Chronicles 7:6 And the priests waited on their offices: the Levites also with INSTRUMENTs of music of the LORD, which David the king had made to praise the LORD, because his mercy endured for ever, when David praised by their ministry; and the priests sounded trumpets before them, **and all Israel stood.**

So when the worshippers lead the people they need to be united, one of hart and one of mind. Not doing your own little freaky thing. I have seen so many praise and worshippers building their own little kingdom establishing their little stairway to heaven.

Worship for God

They are not leading the people they are working on their own position finding themselves more important than the rest. They think I am better than they are, these people are a potential danger if they do not change and should be removed out of commission until they have learned to work together and humble themselves. Hard word and strong measurements however we are working seriously on a major project to achieve that the people become the worshippers in Spirit and in truth. If there is no unity within the praise and worship you will not be able to lead the people into it. Many times I can see on the reaction of the people (many does not mean all ways) that they do not know what to do. They seemed to be confused it is like children and parents; children know more than parents usually think, if parent are distressed or not living in unity. Children will sense that they may not be able to put it into words, but are surely able to feel the emotional load without knowing its exact source. That's why those who lead have to watch out for they mental state when you're a leader, many times church members seem unrest less or disobedient because the minister in itself is divided or divided amongst each other. Again they may not understand the source, but due to the fact we became spiritual people they became sensitive. However this is an whole other topic on which I in the future mat elaborate.

Only if we are united we are able to do anything we desire, that's why at the time of the tower of Babel God stopped the work. It was handmade and not led by Gods Spirit. God said we need to stop this work or else they will be able to do everything. It was not Spirit led but by the flesh; God will never stop the work that Is initiated by His Spirit. But He will stop you if you start trying to control the Holy Spirit. Galatians 4 verse 17 and so on clearly states that Spirit and flesh are each other opposite, they are enemies.

God wants us to be united; everything is based on bringing us into unity. That's our Goal to become just as united with the Trinity as they are. ONE SOUND, ONE MIND and ONE HEART.

Ephesians 4:13 Till we all come in the UNITY of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ:

Only if we come into unity we will really start grasping what potential we have. We are loaded weapons (of Love and Grace), we are people of AUTHORITY. Nothing will be able to stop us and all that come against us will fail. Because we have Jesus Christ, now Christ being in us; does not automatically mean that you are in Christ. We maybe all in Christ but we do not function yet as one.

David found the through blessing of unity; to get there you need to understand loneliness first. Mankind are created to dwell together, it is not good to be alone. I myself no perfectly what loneliness is, and it (sometimes I wish I good say what I want) is not nice.

Unity is a key to become like Christ. See what the world accomplish, they are united in sin. Why do we not make a stand and become united in Christ? Don't you think God is able to correct all mistakes, instead of blowing each other heads of we should just simply worship God in unity.

Psalm 133:1 A Song of degrees of David. Behold, how good and how pleasant it is for brethren to dwell together in **UNITY!**

Worship for God

Paul even says; can you please put some effort in it (Endeavouring), by working together?

Ephesians 4:3 Endeavouring to keep the **UNITY** of the Spirit in the bond of peace.

Ephesians 4:13 Till we all come in the **UNITY** of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ:

Only if we come into unity we will understand the fullness of Christ His body. People believe me for those whom have seen revival they think that's the ultimate goal. Well let me tell you it is just the beginning. Oh my goodness revival is not more than calling you out of the death into Live. The body of Christ goes beyond only revival we are not in unity yet when you are in revival we are setting a course to become as one. If you could see my hart right now I want to share all that I know about the body of Christ, but in this point of time it will confuse you.

MMMpphhh I am so restraining myself because it is glorious, wonderful, magnificent, awesome and totally different than anybody thinks.

Being as one functioning as one body (even if you might disagree) if things are done in a clean hart God will adjust and straighten things out. Minimum requirement for Praise and Worship is acting and functioning as one body. Not seeking yourself but at all times leading to Christ. You can only achieve that if you know each other, if you work through the Spirit. Are you jealous, deal first with it; before you become one of the team. You want the glory? Function out of unity, how? Forget yourself and build the other!

There is one way to unity to receiving the Glory: **with your whole hart singing about God's holiness and wonders**

2 Chronicles 5:13 It came even to pass, **as the trumpeters and singers were as one, to make one sound to be heard in praising** and thanking the LORD; and when they lifted up their voice with the trumpets and cymbals and instruments of music, and praised the LORD, saying, For he is good; for his mercy endured for ever: that then the house was filled with a cloud, even the house of the LORD;

2 Chronicles 7:6 And the priests waited on their offices: the Levites also with instruments of MUSIC of the LORD, which David the king had made to praise the LORD, because his mercy endured for ever, when David praised by their ministry; and the priests sounded trumpets before them, **and all Israel stood.**

Psalms 9:1 To the chief musician upon Muthlabben, A Psalm of David. I will praise thee, O LORD, **with my whole heart; I will show forth all thy marvellous works.**

There is a dimension of authority to be achieved. In all the time that I have seen praise and worshipper I also seen differences in the utterance. While one was able to move the hart of the people, the other was able to bring them to dance for the Lord. Other had such a great voice, but there were not many that I have seen really understanding the high praises or having the key of David.

Worship for God

There are two (well three) dimensions within the psalmist

1. He who has been chosen and pointed out but as worship leaders. “which is ok, they are just as important” (**They are not psalmists**)
2. Those who have been created through Trial (**King David** - strong anointing is upon their lives)
3. Those who found the secret dwelling place of God (**Psalms 15**)

I want to speak about the second one first. Again Leah was seeking the heart of her husband and thought to win it by producing sons, and in a sense there was a prophetic statement in it. Out of here came some strong tribes. Judah (which means praise) was born out of here came forth out of here longing, loneliness and seeking to be loved.

This is the second psalmist who find joy and wholeness through tough times and stick it out. She found her identity by labouring sons. Now we all need to produce sons and psalmists have the ability to produce a lineage of priests. Other calling does not. Now there are again three kinds of priest lineage which I will not get into. However this lineage stands before the throne of God and carry the throne.

Then we have the third kind of Psalmist which was David. He knew the lonely places (he was a Sheppard out with the sheep's for weeks in the fields by himself), He went through tough times (fighting with bears, lions and robbers). I got acknowledge and pointed out by Samuel above his brothers; but the thing that made him different from the second one was he was the chosen one. He did not seek himself; it was a young simple minded stinking Sheppard. However he had guts he was bold, prepared to die for God and lay it all down.

This Youngman was not busy with king's ship he never thought about it. His most high call was being faith full to sheep's of his father. Making sure that not one little lamb got killed, he had the heart of Christ in a premature way.

The first and the second psalmist will know what the high praises is, they can wonder so far of when they praise they are totally consumed by it. And those who come near to them will feel the anointing that comes out of it. Just like the singing and dancing prophets which Saul encountered and he ended up naked. So if you meet a real psalmist hold on to your underwear they are able to blow you out of it. Their music and praises cut the heavens they have the ability to create cracks in the dimensions through which you will feel the Glory of God around you.

Psalms 149:6 Let the **HIGH PRAISES** of God be in their mouth, and a two edged sword in their hand;

However the third kind of Psalmist has the ability that go's way beyond the second psalmist. God has anointed Him, called him to become a ruler and King. However there is a time of forming and preparation that goes beyond trial. Their lives is not from them and called to serve but will have authority as a king. They will have to lay their lives down and must be willing even to die for the people. But even more they know the heart of the father and when the father says go right they will stand up and say ; YES SIR.

That does not mean they will not make mistakes, however if they sin they will bear huge consequences for their actions. Read about the live of David and how devastated would it have been if Christ would have sinned.

Worship for God

- Isaiah 22:22** And the KEY of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.
- Matthew 16:19** And I will give unto thee the KEYS of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.
- Revelation. 3:7** And to the angel of the church in Philadelphia write; These things said he that is holy, he that is true, he that hath the key of David, he that opened, and no man shutteth; and shutteth, and no man opened;

There has been a time when we as a small group were unsatisfied with our live as Christians. We were with five people and we decided to come together with the intention to worship and praise God. We really did not wanted nothing but only glorifying Christ, honouring Him. SO we did that for 4 a 5 days a week three to four hours per day for a whole year.

My goodness we had amazing and tremendous times. I don't know if you ever been to Benny Hinn and felled the anointing there? Well I am really not exaggerating it was five times stronger during these times. Angels filled up the house; we could not invite Jesus to come. He invites us, when we arrived he was already there. Our whole purpose was just to praise and worship the Lord and really made a clear decision not to use these times for praying for ourselves or any situation; we wanted nothing. Now the amazing thing happened after a year, God gave us the key of David and even confirmed it.

At that time I was like a child experimenting with it, I could not believe it. From time to time when I was in a service and there was nice praise and worship, I simply would open up heaven and the whole church would explode. Then I simply would declare that it should close and really everything would stop. I was a little monster at that time playing with a new toy and frustrating the people because they did not understand what was going on. Of course I became wiser but did a experiment with young people that was longing for more. I was explaining them about the key of David and invited them to come the next evening to my apartment. At that time I was on vacation in South Africa and a small group came, and told them just to take a simple song they knew and start singing. They did not feel like it but started off and I let them sing for ten minutes and without them knowing opened the heavens and then they really boosted as never before ongoing for 2,5 hours. They were not able to stop and where praising and crying in such a strong way. Then for the sake of the good I closed the dimension and really in one second they all stopped at that same instant.

They were so amazed and said we have not experience that before. Now you must understand that I am part of a ministry which in my eyes have the best of the best on praise and worship. SO that should count at least for something.

The key of David it is there for everyone but you must be willing to give all up to receive God's authority to Govern as king. That means you need to die, really die to yourself before you can live.

Exercising music on a worldly basis is very selfish, it surfs only you. The ones that creates the music seek their glory; they think that in sense their audience need them.

Worship for God

Those who sing along or listen to it does it for their own pleasure or fulfilment. But praise and Worship (Music and Songs) are created to uplift the Lord. That you do receive back from it should not be the starting point. As discussed before; God build His throne on the praises of his people. So worldly songs - even when you adjust the text it shall never be used by God to build His throne. For He seeks praise and worshippers in Spirit and Truth, worldly music is not created in Spirit and certainly not in truth.

Out of the throne comes a stream, a river of living water. That same stream can become a river in which you can bade first to your ankles, later until your midst and the moment will come that you will be able to swim in it. And besides that river three's will grow producing fruits in every seasons of all sorts and kinds for different purposes. That's the blessing that comes back you, God only asks you to uplift and exalt Him whit your hart and your voice.

Believe with your hart and proclaim with your voice that Jesus Christ is Lord, says the bible.

Now on the following pages you will find a load of scriptures to chew on don't believe me, believe the Word.
