

Introduction

This is probably not what you want to hear, because it will touch fundamentals where you maybe have build on for years. It will call you to come to a sound mind and a sound spirit. It takes away an mystique doctrines that seemed so great at the time.

Now I am a man of miracles and am probably a one of the few that truly understands the power or more or less the secret of prayer and unity. Now that might seem arrogant but it is the truth.

I am not a likable person people hate or love me immediate even before one word has been spoken. So why would you even listen to what I have to say.

I can testify of my adventure in heaven
I can testify of my many battles with satan directly
I can testify of the many demons I have encountered

My life has always been filled with miracles and I always had God's righteousness at hand. Had an absolute difficult life, but who doesn't. My special relationship with God has always be blessing and correction. I call it the right and left hand policy. If I do as He expects he blesses me with His kind right hand and if I am rebellious he corrects me with His left hand. With knowledge comes responsibility and I am a stubborn person so I get smacked around a lot.

What can I offer you? 20 years of spiritual battles, 5 years of Holy Spirit revelation based on spiritual warfare (he kept me up night after night). Many years of stumbling and re arising, a personal meeting with Christ. A face to face battles with satan. Live threatening situations, sickness, losses, poverty and wealth. But all counts for nothing if I cannot live by the truth.

All fighting and struggling in account; this book is going to lead you to truth of spiritual warfare.

You have to judge for yourself if what has been written here is right. When the last word is written I will consider my responsibility towards this season upon my life as done.

One thing remains the great Gospel of Jesus Christ, His kingship and ownership over my life, rather I live or die. As long as my life has meant a attribute to His Glory then I have fulfilled my purpose.

I do not know why I didn't start writing this book earlier, maybe it wasn't the time yet or maybe I missed the point in time in which I should have written all things down. For now I don't know and can only hope that this book will fulfill its purpose to the full extent of it. This is not for my benefit but for Christ, through whom all things

have been created, so that we may make known the manifold wisdom of God.

Ephesians 3

9 And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ: 10 To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God, 11 According to the eternal purpose which he purposed in Christ Jesus our Lord:

TRUE BATTLE EXIST OUT OF THREE PARTS MEANING IF YOU START YOU WILL HAVE TAKE THE CHALLENGE TO READ ALL THREE PARTS. SIMPLY TO AVOID ANY MISS INTERPRETATIONS.

SNCE IAM WORKING ON PART II AND III BUT THE MESSAGE IS SO IMORTANT TO WITHOLD IT ANYLONGER

SO ENJOY PART ONE BUT TAKE FINAL CONCLUSION AFTER PART III

The start of the book

This book is totally different than any other book on spiritual warfare. It can become your biggest disappointment or greatest blessing.

God has always blessed me with profound and deep revelations and I already knew a lot about spiritual warfare. However God has extended the knowledge through revelation by His Holy Spirit Who has kept me awake for months, depriving me from my sleep and only allowed me to lay down when I wrote down the things He poured out in to my spirit. This has led to soul searching and pointing out scriptures in the bible on the topic of spiritual warfare.

I asked my sons assistance to get involved and so together we walked back and forth through the word of God praying, studying, digging into scriptures and philosophizing.

It became a challenging time and an eye opener, the Holy Spirit did not answer but came continuously with questions, why, why, why.

- a) What is written here?
- b) Do you really understand?
- c) What does it mean?
- d) Is it consistent with the rest in the Word?
- e) How does God look at the scripture?
- f) What is happening here?
- g) What are the actions?
- h) What is the reaction?
- i) Etc.

He did not give me the answers straight away but placed continuous questions in me and made me think and meditate so that I would

start finding the answers in the word of God. Sometimes these questions would ponder my heart for weeks, some for days, some for months, until everything would come to its completion by the Holy Spirit. The strangest journey it became; one that will cause the Body of Christ to be straightened. It involves a promise which God gave to me over and over again stating;

“I have called you and will send you to those who are blind so that they might see”

“I have called you to be a voice in the wilderness, to make roads in the wilderness and rivers in the desert to straighten the ways of the Lord”.

Rather they listen or not in the end they will know a Prophet did come by. I know one of the many you might think, but I could not care less about titles or personal appreciation.

We do not expect Gods people to be blind but how wrong can we be when His word says;

Hosea 4:6

“...my people perish due to a lack of knowledge...”

Isaiah 5:13

“Therefore my people are gone into captivity, because they have no knowledge...”

I am not here to deny that there are fallen angels or demons. God knows I have had my struggles with them for many years. So in a sense I may be qualified to write this book and is that the reason why He let it all happens. All do I am absolutely against any doctrine that maybe created based on the foundation of sins. Let me explain, if my passed of sin would be used to bring sound doctrine for deliverance, or even if I would use the knowledge gained in my time of sin and use it to build and deliver doctrine. That at itself is even dangerous.

Many may want to use the scripture; God uses all things for the better good. However that would take the scripture out of its context. The fact is that all information and experiences we received during our period of unfaithful or sinful state is based on lies. God will use the deliverance part as the better Good to testify and educate the people. But we can't use any information out of that time and build any biblical doctrine on it. May be you say of course, however there are ministers that first were possessed or sorcerers or witches, now pretending that they have knowledge how to defeat Satan or apply spiritual warfare. Applying God's inheritance or the strength we received from Christ to overcome is only the truth. My past experience will not help me but only misguide and contaminate what is really the truth. Satan would love to see that I would use my past experience on a doctrinal level. God said do not eat from the tree of good and bad, what does bad have in common with good? Is it not a fact that I have to build my foundation on Christ? What? The word! The truth! However not my knowledge of darkness during my state of sin. I am also not denying that there is a warfare we have to battle, but it is time we start determine;

1. What the place of that "Warfare" is,
2. The extend of that so called "warfare"
3. How to behave in that "war"
4. Legal battle
5. More important even have you been called / instructed to do so

Now you immediately may dismiss this book only already based on point 5. However please have expectations and open mind that we learn and gain knowledge during time. New revelation to construct, build and uplift the body of Christ.

This book is necessary because there is a total misunderstanding about spiritual warfare which has caused the body of Christ to be

focused on the wrong things, spending their energy in wrong directions and many times discovering themselves battling a struggle that wore them out and from time to time even defeated Christians.

Why have we caused the greatness of God and Christ seeming to be insufficient as if He did not complete His work, leaving us to fight a battle which He already won full of victory?

Why don't we ask ourselves more about what Gods intentions really are and what He really expects from us? Again, a lot on this topic has been misinterpreted by wrong theology somewhere in time and a common mistake is made. We already believe in our revelation and then start to back up "our truth" instead of looking at it in a healthy critical way. And many times we built further on that which was taught to us and seemed to be so obvious.

The church is so much caught up in an endless fight. The actual successes they really made put the Kingdom of God to shame but we are too scared and too ashamed to amid it. Yes we had our successes but for how long? How big?

It is as was written in the book of Revelation to one church;
"you have the name to be alive but actually you are dead".

How discouraging that must have been. They probably had all the miracles and commissions in place, famous in the area because a "new sound" was heard and then they would have to find out from an apostle who was in prison that they were doing it wrong. What went through their mind?

Who does this John think he really is?!

If he is such a great men of God why did he not prevent himself to be captivated? The old man, he has become delusional on his old

age. Due to his captivity lost his touch. I don't know if it went like this but it could have. Above all, they were human too.

How frustrating can it be if you think for years that you're doing the right thing until someone comes along telling you, you're way off? Believe me if you could see my heart for your sake, I wish I was off, however it is time for the truth to be revealed. Does Gods word not say: ***“you shall know the truth and the truth shall set you free” and “a father that loves his children rebukes them”***? Now let's open our heart to receive the truth and allow God to rebuke us. Let's not waste anymore time being ignorant and dismissing any opportunity to find out if we were wrong.

Although I do not know you personally my heart already goes out to all of you and I'm almost sorry for having to shake your foundation, to break down misinterpreted “dogma” and to unfold the wrong doctrines which maybe became a foundation of our faith. However there cannot be and should not be any other foundation then Jesus Christ whom is the Son of God Who carries the radiance of the Glory of God.

We have searched and researched scripture after scripture and maybe you already know them all. Please allow us to put them in the right order. We have criticized the insight we received just to make sure we were not blind ourselves. Every time I thought we were done, the Holy Spirit challenged the revelations which He gave to us and made us dig deeper to find the answers to close the gap.

Before reading Pray

So let's begin with a simple prayer or declaration:

Dear God

I speak unto my heart right now, my eyes and my ears
Let them be open now and hear the voice of Christ
I speak unto knowledge and Wisdom to come forth to me
May reformation of my spiritual environment take place
According to the will of your Son Jesus the Christ
May all that defines me give you the glory
May all that I am be re-ordered
So that I might come to the full understanding of your wisdom.
Dear God re-order the foundation of my life
Holy Spirit reveals to me the heart of the Father
In the name of Jesus Christ name, Amen

The Kickoff

This book became my thorn in the flesh; I have been pushed emotionally from one site to the other. Any attempt from the devil to prevent me writing this book, a absolute lack of spiritual support from fellowmen did not made it easier. At the same time I do not hold it against anyone, all things happen for a reason. Emotionally I have been up the mountain and in the deepest valley. The times I wanted to walk away and even tried to walk away became countless. However it is the way David says in the Psalms even if I wanted to flee.... You will find me. I got worn out and tired then it was like Jeremiah even if I want to shut up your word burns with in my bones. There was no hiding God dragged me back and put my face right there where my responsibility is.

This based on a dumb prayer I once made years and years ago, which I still refuse to recall.

DO you know what it was?

God I want it all give it all, take it all, regardless the costs!

Always watch out what you ask (sour joke), however I would not change the prayer for all the gold in the world.

There is a funny momentum within the Gospel, where the sons of thunder came to Jesus and asked if they were allowed to sit on His right hand when they will be in Heaven. See how Jesus response: I f you will sit on my right hand that's not up to Me to decide but up to the Father. However the same way I wend you shall go. They were so proud with that answer they probably wend back to the rest of the disciples to brag and to boast. Look what the Lord promised to

us. The disciples probably jealous of them and considered it an honorable call (which it was). However they did not understand what they really where getting into, that such a beautiful promises from Christ. Because it meant being scorned on, rejected, suffer and finally getting killed for the Gospel. If they would have understood the impact of that promises they probably would have rejected immediately. Consider the costs the bible says, however to you I would advise Just do.

Now the reason why this book has been written is to draw the heart and the eyes of the people away from Satan. But in order to do so I first have to start addressing the topic Satan and revealing to you who he really is and what his potential really is. Believe me you will be stunned and amazed about that which has been revealed. And how deceived Christians are on the level of satan.

My first intention is to honor the Holy Spirit since he is the one that brought the revelation. However as mankind it is difficult to write a book and keep in mind that the Glory belongs to Him. So if I somewhere in this book draw the attention to me then please consider that it was not on purpose and it all belongs to Him and Him alone.

Spiritual warfare has been founded on several scriptures such as;

- Principalities in Heavenly places,
- Our warfare is not against flesh and blood
- Satan holding mankind under a curse
- Heavenly places where Satan and other fallen angels dwell in
- Principalities over cities
- Satan being the owner/ruler of the world
- Satan being the ruler of the realm of darkness
- Etc.

What we must understand is that Satan is a liar and a master deceiver and my goodness..... how successful he has been on bringing spiritual warfare on such a level to the church. Again, I am not denying “warfare” but I do recognize the total misinterpretation of what God meant in His word. Maybe we did not listen well enough or have not taken in consideration that due to translations scripture can sometimes be changed in its actual- and full meaning. We forget the historical background sometimes in which the load of a word can be different then in this present time for us and that it can get a total different explanation throughout time. The key is researching and digging in God’s word,

“Matthew 7:7 seek and you shall find”.

The challenge of interpreting Gods word is first to understand the constrain we have to deal with in these days when we read Gods word.

- One Historical use of words
- Two Cultural differences
- Three Mistakes of interpretation of words (due to changing times)
- Four lack of knowledge
- Five local rituals
- Six lack of relationship with the Holy Spirit
- Not studying or meditating on the word.

Then there are several other levels you have to take into consideration.

So before we are going really into it please allow me to clarify certain things on Christian relationships and how to perceive the bible.

The King David principle.

Only on that topic I could spend a whole book; however I want to take away any spirit of discouragement within any Christian on feeling limited within their relationship towards God and their struggle to get closer towards Him. The good thing is you can, the bad thing is that there is no bad thing.

How frustrating many Christians have been in their development of relationship with God. Trying to apply principles that others used and worked for them in the hope to have an equal profound relationship by man and woman of God that inspired them. Allow me to deliver you.

Yes having the inspiration is a wonderful foundation for a short while applying the principles is wonderful and will work for a short while

However take into consideration that God has created you unique. Meaning he wants to build a relationship with you and not a copy of someone else. Revival principals working in one area failed tremendous in another area. If that would not have been the case then the past revival would have been consistent even until today. Which it did not, did it?

God created you into His image and likeness, meaning he took something out of Himself gave it a body, a voice and freedom of will. With the ability to develop itself and He is amazed and in anticipation to see how you are developing you self and wants to interact on a personal level with that entity that came forth out of Him and it's called you. That's why in the scriptures God says I am jealous of the spirit that is within you. Another scripture says make

me known within your ways and I shall straighten them. Tell me the wishes of your heart and I shall give them unto you.

When God created you He wanted to interact with you on a personal level, not a copy of someone else. When He said to Moses tell the people I am Who I am, he presented Him as being unique. Now you have to say the same thing, you are who you are.

Yes you have to change, yes you have to follow in His footsteps. However being reformed in the image of God and Christ, not in the image of someone else. By doing so you have become guilty of idolatry, oouuch (shocking).

If what would work for me would work for others then we would have found a methodology how we could put God or the Holy Spirit into action, without even thinking. We would have found a formula to apply Gods strength without the person God. I can absolutely tell you that it will never work for the long term. God want you for who you are, and the great work He started within you He will finish. Does this mean that impartation or pastors, counselors or teachers became absolute? Noop!

We get born as a child and we need to learn how to walk and to talk, etc. But there comes a time you have to start living on your own, being responsible for you own live etc. Mind you the apostles where ignorant and they received their brains during discipleship years with a maximum of 3 years. Wow, in 3 years they became the mighty man of God doing great deeds on the earth, so where are you? Well they walked directly with Christ etc. etc., yeh yeh yeh bla bla bla. Excuses the disciples walked directly with Christ but they where depending on the revelation out of His mouth and occasionally the got equipped with power from above. It was after

Christ died they got impregnated with the Holy Spirit, which is also the Spirit of revelation. Only then they were released (Pentecostal), remember?

You on the other hand if you come to Christ under the right circumstances you are all ready impregnated with the Holy Spirit, having revelation of day one. More doctrine and insight available from great man and woman that lived throughout the ages until now. So enough study material until the day you die, more than the disciples had. So what was your excuse again? In **1 Corinthians verse 26 until 30** we clearly can read that God seeks the fools of the world. Those who are not obvious, He forms and shapes them and then send them out to amaze the wise with simple theology. The theology of Grace and Salvation.

Why is it called the King David Principle? Well if you study the psalms, David presented himself for whom he was not more and not less. He was able to stir Gods hart (even against all odds and the many mistakes), because of his simple honesty. Just being himself.

Ephesians 4 verse 16

From whom the whole body, joined and knit together by what **every joint** supplies according to the **effective working** by which **every part does its share**, **causes growth of the body** for the **edifying of itself in Love**.

Ok translated to today's language, you are part of the body of Christ and you are supposed to attribute to the body. With the intend to make the body grow and for edification of yourself as well. How? By building yourself up in the Love of Christ.ans act as you are. And then we can start discussing love on many levels; however I advise you to get e concordance and start searching on scriptures based on love specifically in the New Testament.

The five fold ministry

Another book I could write on, but since there are all ready so many let's not go there. Why this is equal important?

Everyone has a calling, you did not earn it. It was already determined before the foundations of the world. There is nothing you can do or don't to get or lose the calling.

If you do not walk within it, you will feel miserable

If you envy another calling you will feel miserable

If you start walking in another calling which is not yours you will feel miserable

God presents it to you, but leave it up to you to accept. Read the bible man and woman of God have been called (invited), with few exceptions all accepted it. God will go great lengths to convince you that you are the right person for the Job. However ultimately it's up to you if you accept or not.

Many are called a few are chosen, meaning all are called but not everyone is doing their job.

Marcus 16 this will follow the believers

(you see it says the believers, there were no specific names attached).

You can't lose it.

Adam felt, David felt, Solomon felt, Peter felt as well as the rest of the disciples. However their calling remained. There will be

consequences to your actions and even may be put out of office, but your office is returned instantly when you get back on track.

- Manasseh and Hezekiah are an example, go read their stories.
- Moses made one mistake where he hit the rock twice in anger instead of one and he was not allowed to enter into the Promised Land.
- Miriam and Aaron criticized Moses and they became sick
- King David fornicate and it cost him his first son
- Peter denied knowing Christ, however he still became apostle

However the title, the calling remained.

You will only loose title when you absolutely fear man above God of when you are self-centered. For example King Saul, Judas, satan you can find many examples in the book of Kings and Chronicles. Why is it important to understand the five fold ministry? Not because of the title or the office that comes along with it for you; because most of the time it leads to the flesh and self glorification. Yet it is important to understand the fivefold ministry because it speaks of the inheritance that is within the body of Christ.

Now the fivefold ministry is actually the eight fold ministry. The first five:

1. **Apostles**
2. **Prophets**
3. **Teachers**
4. **Pastors**
5. **Evangelists**

They are there to prepare you for the threefold ministry:

1. **Kings**
2. **Priests**
3. **Judges**

This is the inheritance of Christ and since we are the body of Christ we inherited these offices within Him. Go buy a good book on the topic of fivefold ministry in time to get a deeper understanding, if you do not have it yet.

What these books will not teach you is the extension and linking to the other three ministries, however there remain good books. What also is missing within these books is the following aspects (this is why I added this to this book for your understanding).

So here we go:

There are five realms of revelations and within those five realms there are five realms of indoctrination.

1. **Heaven**
2. **Universal**
3. **World (Country, Political)**
4. **Congregation**
5. **Personal**

Now within these realms there are the endocrinal understanding based upon your calling which equals the fivefold ministry

Let me explain if you are called to be an evangelist and you receive a revelation within those five realms it will be a evangelical message. Now if someone with a prophetic calling would look at the same revelation or scriptures he would have a total different perception. Because what he is receiving is a prophetic message which is different from the rest of the callings. So a Apostle reading the bible would get total different revelations out of the word then a teacher

or vice versa. Now some can have multiple offices. Just for the simplicity and clarification. Still with me?

You can have Prophet on a evangelical level or pastoral level. You can have a Pastoral on a Apostolically level or Teacher level. SO do not be surprised if the revelation you have received does not hit the bottom of the hart of your fellow Christian, it might be that he has a different calling and he is operating in another realm. Not less or more than one another.

Now since we are discussing offices let me explain that an office does not mean having a church or a stage. Your office is the dominion where you live in: your family, neighborhood, workplace, business, missionary, etc.

Your office is there where you are and where your hart is, welcome to the light.

How to study the word

Again there is not methodology however there are certain principles that on a foundational level can be applied. Master them and then in time let them go (preventing them to become a law) and find your own personal way as the Holy Spirit may guide you.

What has not been thought but what you should know is that there are four levels of doctrine.

1. **Scriptural doctrine (written, the Word)**
2. **Behavioral doctrine (many time look at the actions of biblical figure under circumstances)**
3. **Philosophical doctrine (The word of God is allowed to be approved scripture)**
4. **Historical / Cultural doctrine (based on time and local habits)**

First and above all for any revelation you need the Holy Spirit (**Luke 12 verse 12, John 14 verse 26**) or else it would be futile and believe me how many teachers / pastors / prophets, etc. are teaching. Their own words and their own vision (**Jeremiah 23**), however be careful because there are many good pastors, prophets as well that do speak profound the truth according to the word. You have to learn to discern and not use the flesh that equally acts rebellious if we disagree with the preaching or teaching because it does not suites our agenda.

How to discern? Well start studying the word and get to know the heart of the Father.

My son wend to what I called one of the best bible schools of its time, however on written doctrine a lot needed to be reset and adjusted by God. However in the given circumstance it still remained

one of the best from my perspective and I am blessed to see the fruits that ministry has brought not only to his live but to all my family members.

If you start reading the bible you need to apply

- a. **prayer**
- b. **meditation**
- c. **studying**
- d. **Praise and Worship**

Yes praise and worship is very important, even if you sound like a dog. It does not matter many revelation is received under the anointing of expression of music. Praise and worship is more important than prayer. Prayer stops in heaven praise and worship does not. I will add a separate appendix on praise and worship so you may understand why it is so important.

Basic study package:

- I. **Interlinear bible (Translation of Hebrew and Greek)**
- II. **King James Version**
- III. **NIV**
- IV. **Bible in your own local language as well**
- V. **Concordance**
- VI. **Encyclopedia**
- VII. **Symbols and names in the bible**
- VIII. **Geographical charts and a time frame table of historical figures**

If you cannot afford all these confine yourself to I, V, VI.

The good news is there is Internet where you can find tremendous sources of information.

The bad news I there is Internet where there are too many sources. Christians have the tendency to read other peoples explanation and revelation and then do not study there self's.

Another way is to agree with fellow Christians that everyone buy's something and start studying together.

Now I do not like Christian diaries or scriptural calendars. A scripture a day keeps through revelation away is my motto. I consider these books as Christian horoscopes, sorry if I offend you, but these things are preventing from really taking effort and discipline yourself to study the word diligently.

One time when I was preaching at a church at the end I called forth those who wanted the gift of knowledge a whole group came forth. I told them to stand on my left. I made another call and asked those who wanted the gift of wisdom. Again a whole group came forth and told them to stand on my right. Last call I asked to come forth those who wanted the gift of miracles and told them to stand in front of me. By that time the whole church was divided in three groups.

I turned myself to the left and started to address the group that wanted the gift of knowledge. They were in great anticipation, I said put your hands to heaven and close your eyes. They did and then I told them go remember scriptures, that was it. I could feel their disappointment, they expected the easy way. Like package dropping out of heaven, but it does not work like that.

Well it did for Solomon! No it did not he received the ability to become wise, but did he not ended foolishness in Idolatry. At the same time he spends his whole live trying to discover the deepness and purpose of actions and wisdom. Meaning; he studied.

So that became my answer to the second group which was on my right and told them to start studying and meditating. I even felt their disappointment as well. So I started to address the group in

front of me, in a final attempt on a miraculous encounter the group on my right and the left moved to the middle as well.

Finally started to address the group in the middle and said I can't pray for you that the gift of miracle and healing will come to you. It was like a mirror that broke and they were scattered in their spirits. While waiting for two minutes in silence they seemed confused, and then told them I cannot give you what you already have. Then I went from scripture to scripture proving them that the power and the miracle was already in them but it was up to them to exercise it in practice. I testified when I started to pray for the sick the first times nothing happened, well the first 500 times (however I did not want to discourage them). But eventually things started to move, sick got healed, people got delivered, miracles happened, etc. etc.

The basic foundation for me was that I was a dumb dark curly guy, with no shame at all. By God I was determined to push through and I keep on praying and one cripple of the other kept crippling away, until that one day things got changed and miracles did start happened. It was only year later I started to understand why first not and later yes. It is like seed, you have to sow on the acres of your live. By just doing you are sowing seed in your spirit (the Living Word it is as seed) eventually the Holy Spirit will come and pour out the rain on the acres of your live and trees will grow and fruits will come.

So don't worry it's not your miracle it is His miracle if someone does not get healed I am not responsible, God is. The only responsibility I have is to lay on hands pray for the sick and leave the healing part up to God. I am called to be obedient well that's what I did.

Ok little side track back to how to study the word, I have given basic principles. Now if you studying the word choose a topic. Love, salvation, healing, priesthood, Grace, deliverance, whatever it may be. Choose a topic poor out every scripture on that topic and stick to it (AGAIN STICK TO THE TOPIC UNTIL YOU HAVE REACHED YOUR ANSWER).

Now every chapter or verse you might read there are some foundational questions you have to try to answer. Does not mean you are able to find an answer on all the questions but at least try.

Sample questions:

- I. What is written here**
- II. Who wrote it**
- III. Who did what**
- IV. What was happening**
- V. When was it happening**
- VI. What let to the event**
- VII. What was the outcome**
- VIII. How was the advise be put into action**
- IX. How did they respond**
- X. Did the person that gave the advise put it into action and how**
- XI. Are there equal situations in the bible to be found**
- XII. Can I apply the outcome of the advise even today**
- XIII. Etc.**

So now we had discussed some basics lets go to deeper understanding of the cause of ours battles

Satan as he is

If there is a battle to such extent as been preached now then it is equal important to understand who Satan is. Now I am not going to spend much time on who he was and why he became you can find that out by studying the Bible.

- He was the most beautiful angel God ever created.
- He was God's favorite
- He had a double office (Cherubim and Archangel)
- He walked with God on the mountains of fiery stones.

Shocking news is : God does not hate Satan, nor can He. Hating Satan would be hating himself. God cannot hate what He had created, He may regret but never hate. God on the other hand does hate what He did not create, God did not create sin.

When God says everything come forth out of me and everything will turn back to me. He meant to say that all given can be taken.

All the good and the bad has been created by God but that He is not responsible for the bad. He states that the person that became sinful has been created by Him,

So all life did come forth out of God. However that does not mean all deeds came forth out of Him, those come forth out of our free will and ability to choose.

So does Satan have a free will to choose or the ability of a free will? Yes he certainly does?

Now I want you to think about a time of million and even billion of years ago when satan was created. God remains a father to all and in all these many many years he created relationship with the devil. They spoke, they laughter, they hugged, they shared feelings and secret and then one point in time a seed of betrayal is born in one that was called a beloved. He whom he trusted started to back away as Adam and Eve did in the Garden of Eden. Despite all warnings and all sessions of restoration satans thinking got clouded by wrong choices. The bible states due to pride but before that there became certain doubt into his mind. Doubt kills the word of God insight of us and leads to the point where we cannot expect anything from God (look it up in James). It is common sense that doubt was the beginning of the problem; satan start doubting God in His intentions, His love, His greatness. Only a mad man that have lived so close near to God having seen and experienced in His greatness must be foolish to think that he can concur God. That speak about the fact that is thoughts and mind became clouded, he started to doubt God or else he would never have tried to place his throne above Gods Throne.

How painful and sad did everything become when God saw one of His favorite sons got lost. The whole event was already shocking enough and the damage became even greater when the seed of sin did not stop with the devil alone. No the contamination reached one third of God's creation

God was angry and felt betrayed by his once so beloved angel. He hated his sin but he could not get to the point hating satan as a person. Since Gods is love and he cannot hate what he has created, however he probably did regret the point of creation. As we also can find in the bible when he regrets creating mankind at the time of Moses.

You can have a son that in time challenged the stretch of your character to such extends you started to hate him. But do you really hate him? You resent all his choices and hate the damage which he has afflicted upon you and others as well the down fall created in others live. But somewhere deep insight there is that remembrance of that little baby you hold, that child that cried when it needed your help. These momentums of love when everything still was fine. Believe me it is not different with God. It is important for you how God looks at the devil because in Job he was stilled called and considered as one of the sons of God. That will never change, he became as an eternal wound in the heart of the father. So a new revelation is yes, God can be hearted. So always be wise how to approach the devil, he remains in God's hands, its Gods right to pass on judgment not ours. We will come back on it further in this book.

Christians don't understand how to deal with him and approach the devil wrong they create their own down fall. Illegal battles, wrong choice of words, leads to their own stumbling. Even Gabriel when he fought (argued) with the devil regarding the body of Moses he did not judged him. Instead Gabriel answered to satan the Lord rebuke thee.

Now first of all, Satan is not a person without certain knowledge and he is not unlettered, in fact he is sophisticated, well dressed and knowledgeable. Fallen angels are not unreasonable beings, if there is one thing they are good at then it is reasoning.

Job 1:

9 Then Satan answered the LORD, and said, Doth Job fear God for nought? 10 Hast not thou made an hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land. 11 But put forth thine hand now, and touch all that he hath, and he will curse thee to thy face.

So satan new everything about Job, his situation his wealth. He even thinks he knows the outcome if God would come against Job.

Genesis 3:

1 Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? **2** And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: **3** But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. **4** And the serpent said unto the woman, Ye shall not surely die: **5** For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil. **6** And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

The sin of man was nothing other than that they allowed another source (the source of lies and deceiving) impart within their lives. They did not confine to the truth which is God, but somewhere in their mind they tough it was acceptable to drink from the source of lies. See what satan does he first creates a unhealthy curiosity, then when the wrong questions and desires pops into mind he presents himself as the one that has the answers. By doing so a process is initiated where you start wondering about Gods real intends and doubting God as the only way . Then as written very subtle he works on your downfall, making doubt, isolating, etc.

Ezekiel 28:

3 Behold, thou art wiser than Daniel; there is no secret that they can hide from thee: **4** With thy wisdom and with thine understanding thou hast gotten thee riches, and hast gotten gold and silver into thy treasures: **5** By thy great wisdom and by thy traffick hast thou increased thy riches, and thine heart is lifted up because of thy riches:

Here God confirms the great wisdom and knowledge to be found within in him. It states that he even was able to increase wisdom and knowledge with his own understanding. However it was the leaning on his own understanding instead of God that led in the end to the horrific events. The lesson to be learn is indeed not to lean on your own understanding but only on that of God.

Now people always attacking everything is a wrong habit. Attack only if God clearly instructed you to do so. However people pray against the Catholic Church, the Mormons, the Jehovah's etc. So now you have to apply behavioral doctrine, ask yourself did Jesus attacked the Pharisees or did they attacked him? Was it not the fact that they continuously came to Him and tried to catch Him in the hope they could have legal ground to attack Jesus? However you will not find one scripture in the bible where Jesus pray that all Pharisees may die or disappear of the face of the earth? Look at the character of the Pharisees, driven by inspiration of the devil in the following scriptures.

Marcus 12: 13 And they send unto him certain of the Pharisees and of the Herodians, to catch him in his words. 14 And when they were come, they say unto him, Master, we know that thou art true, and carest for no man: for thou regardest not the person of men, but teachest the way of God in truth: Is it lawful to give tribute to Caesar, or not? 15 Shall we give, or shall we not give? But he, knowing their hypocrisy, said unto them, Why tempt ye me? bring me a penny, that I may see it. 16 And they brought it. And he saith unto them, Whose is this image and superscription? And they said unto him, Caesar's. 17 And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marvelled at him.

18 Then come unto him the Sadducees.....

28 And one of the scribes came, and having heard them reasoning together, and perceiving that he had answered them well, asked him.....

How amazing are these scriptures, they refused to acknowledge Him and crucified Him. Yet here in a few sentences they boldly state the following things.

- 1st. Master**
- 2nd Thou art true**
- 3rd Teaches the way of God in truth**

This is typically the way the devils approach (I acknowledge you, BUT. Then the whole riddle starts again).

Satan already proved in heaven to be someone who loves reasoning and discussions by getting one third of the angels behind him. He showed himself as a master of reasoning and deception in the Garden of Eden having part in the downfall of mankind due to sin. He showed himself as a master of discussion when he had a verbal argument with one of the archangels over the body of Moses. It even seemed, in the story of Job, as if he was able to reason God into letting him bring Job down. However what Satan did not know, was that Job was the premature expression of the defeat of his reasoning which ages later would happen in the desert with Jesus Christ. There he met his match, lost the discussion and probably left totally confused how to approach and deal with this new situation.

This fallen angel called Satan was well equipped with knowledge and beauty which would even stun us today. He had/ has the knowledge of mankind and all that belongs with it. However there it ends for that's all he has left.

- **He lost the glory,**
- **he has lost the light,**
- **he has lost the truth**
- **and yes he has lost all authority.**

Now here it becomes interesting (he has lost all authority)! To determine what he has lost we have to dig into the extend of how someone receives authority and how he can lose it. Which authority is the bible talking about? As you will find out that our perception on authority and what the devil lost is clouded by misinterpretations.

As it shall be known that God took away all authority in phases from the devil, the confinement and boundaries where set in the Garden of Eden.

Genesis 3 verse 14 The LORD God said to the serpent, "Because you have done this, Cursed are you more than all cattle, And more than every beast of the field; On your belly you will go, And dust you will eat All the days of your life

One of the major points in the bible is written in the following scripture:

Daniel 8 verse 25 :

And **through his deceive** he **shall cause craft to prosper** in his hand; and he shall magnify himself in his heart, and in their security shall he destroy many: he shall also stand up against the prince of princes; **but he shall be broken without [human] hand.**

So **Daniel 8 verse 25** clearly states that satan success is based on deception. But it also states that he will be brought broken without help from us! So you are not involved in the downfall of satan; that is Gods doing and it seems He does not need us in achieving that. Now all do satan understands deception that does not mean he has authority; so where is he getting it from? Daniel 8 verse 24 does provide the answer:

Daniel 8:24

And his power shall be mighty, **but not by his own power**; and he shall destroy wonderfully, and shall prosper and do his pleasure: and he shall destroy the mighty ones and the holy people (ERV).

- So yeh, ok.
- But where does it say it comes due to mankind empowering the devil?
- Well lets read **Daniel 8 verse 23**:

And in the latter time of their kingdom, **when the transgressors have reached their fullness, a king of fierce countenance, and understanding dark sentences, shall stand up.** (KJV-ERV)

So the transgressors in this scripture points out towards two dimensions in time.

1. **It speaks about one third of the angels following the devil (passed happening).**
2. **It speaks about repetition of acts by mankind as transgressor (current/future happening).**

He becomes a king because of the fullness of sin by transgressors. The way satan go's around is by deceiving people so that they come to sin and because of sin they are empowering the devil.

Meaning no void remains empty; eventually always something or someone will step into that void to fill it up. So if Christ is not the King in your live, then there is a void that gets filled up by transgression and a new master will presents itself by deception and deceiving. The devil becomes king in the heart of the transgressor by their own transgressions because they did not turn to Jesus and by their own actions. Read the following scriptures:

You cannot serve two masters (**Matthew 6 verse 24**)
The light shined in the darkness.....(**John 1 verse 5**)
The devil is a deceiver from the beginning (**1 John 3:8**)

There are so many doctrines, books on satan they probably have a better describing of the devil then I do here. My intent is to reveal what is the confusion and for that I need to address some basic issues on a high-level. Throughout this book we will discuss the boundaries' of satans authorities and how he is able to achieve anything. The Word of God, shows that the only authority Satan has, is given by mankind. That for Christians almost all of our problems come primarily due to our own behavior and the words of our mouth.

This is scary, not? That means we are responsible to the full extend we cannot play ignorant anymore. But at the same time you will discover your full potential in Christ and your true authority which has been hidden for you for many years and decades for former generations. What a wonderful and glorious revelations have come to you because you are about to find out that you can have more success than ever.

Increased influence

There is another point we clearly have to understand which become clearer as we continue within this book. However I want to address certain principles upfront.

The influence of darkness against the influence of the light. Causal effect while as sin grows it becomes like an infection if not treated the area of infection will expand unless the right antibiotic is applied to the area of sickness. The infection is sin and the antibiotic is the Grace of the Lord. So infection is darkness and the antibiotic is the light. But if our light is decreasing instead of increasing, if the salt is losing its strengt then infection will continue to spread out.

Matthew 5 verse 15: Neither do men light a candle, and put it under a bushel, but on a candlestick; nor it gives light unto all that are in the house.

Matthew 6 verse 22 and 23: The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!

John 17 (most beautiful prayer) Jesus prayed that the disciples would maintain their faith

Isaiah 61 speaks about if you do this and that then your light shall go up...(So a quick way to get out of a depression is start giving to the poor)

It is our job to keep out lamps burning and to have a continues flow of oil. (look at the parable in **Matthew 25:1-13**—the parable of the ten virgins).

Who will you be in the end? A season Christian when time gets tough then Faith goes with God out of the door?

Or are you a postpone Christian that wants live his / her own live thinking I will see when it suites you (the foolish virgins)? To discover in the end that you had not enough oil or lost faith because live wasn't what you expected. Most of the time people lose faith because they find out they cannot manipulate God, like He would be a puppet on a string doing whatever it is we want Him to do.

I was such a Christian; I had my God on a puppet string. However the puppet got fat up with my manipulation and refused to play my games. Then I started to discover the real God and He was not about do it my way.

We with the light of our salvation; we have to shine into the darkness not into the church where our fellow Christians are. Church is nothing more than a fellowship of same minded people to enjoy each other company or to encourage each other (to maintain relationship with our fellow men).

I am all for Christians coming together and spend time together: Fellowship, eating, laughing, meditating singing, playing. But currently where ever you may go all preaching seems to focus on what you can get from God, what you can get out of the Word, what you can get on promises. It is about gaining and gaining and more gaining and so it became a selfish food gathering.

Everyone is on the table and they are eating and getting fat spiritually so fat it is killing their brain cells, cluttering their hearts, due to the overwhelming rich food they are blinded and deaf for the cry of the world. Those who hunger outside, the poor, the sick, the

dying. They are busy preparing their whole live gathering and storing spiritual food their houses are stuffed, they became so fat and unhealthy that they can't walk due to the unhealthy weight.

They are preparing themselves the houses are stuffed full but instead of sharing they keep it to them self's. So focused preparing themselves for ministry or whatever, because they are addicted to eating and eating they never will come to their ministry.

Matthew 24: 38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,**39** And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be. **40** Then shall two be in the field; the one shall be taken, and the other left. **41** Two women shall be grinding at the mill; the one shall be taken, and the other left. **42** Watch therefore: for ye know not what hour your Lord doth come. **43** But know this, that if the good man of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. **44** Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh. **45** Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season? **46** Blessed is that servant, whom his lord when He cometh shall find so doing.

Meaning you should go out to those who need it and lose some weight. **Go read Matthew 25** if you value your live and even more if you value the lives of others.

The real work is outside. Is your light influencing your environment, not by the multitude of words but by your actions?

- In the end who are you?
- What will people say after you are gone?

She or he was a nice person always available for anyone or will they say I saw Christ? Because that is what Jesus did when he stated “If you have seen me then you have seen the Father” **John 14:8-11**

Funny the bible states that Jesus (**John 14:6**) is the way and the truth. While we when we accept Christ we have the tendency to stop there which is utterly wrong. Again Jesus Himself said I am the way.

- But the way to what?
- Eternal life?
- No!
- He is the door to eternal live, yes
- But he is the way to the heart of the father

So you have to move on, you wend trough the door and am now in conquest to find the heart of the father.

- But how do we get there?
- Well trough the Holy Spirit!

He will lead us to the heart of the father! God’s word says I will send you the Spirit of the Lord who will guide you. At the same time the bible says that only the Holy Spirit knows what in the heart of the father is. When we start walking to the Light (God the Father is Light), He lives in unattainable light. And there where light is darkness has to disappear. Again if we start walking to the light darkness has to disappear.

What happens in that process? If there are spots, rooms, areas of darkness within us (which we all have) then the only way to lose it is to start walking to the light. As while we are walking to the light al that is hidden is coming to the surface and we start feeling

uncomfortable. Because we don't want these lies, deceptions, miss interpretations, hidden sin to be seen by anyone else. We don't like to see the mirror of our own soul and we prefer to stay in denial. Let's not touch it we are forgiven, eehh yeh. But that does not mean you need to get rith of it!

So again if we start walking to the light all darkness have to disappear. That at first gives us a uncomfortable feeling, but if we do keep on walking closer and closer to God. We become cleaner and cleaner, lighter and lighter, purer and purer, holier and holier. His light will wash away any dark spot upon our soul.

Even King David said: Lord see if there is any double minded way before my hart deceives me.

You have to push yourself out of your comfort zone of self preservation. Salvation is a way, not a moment of a choice but a live of continuous choices.

One great example in the bible is the story where the people where prepared by Moses to meet God (now Moses is a reflection of the coming Christ). As they come at mount Zion God descends from heaven on to the mountain. There where the people should have drawn closer they actually backed out because of fear. They stated: Moses do you speak to you God because His voice is us to hard.

We as Christians today still do the same thing. Jesus prepared or preparing you to meet God the Father. Then when we come closer to the light we back down and say to Jesus: You speak to your God because His voice is us to hard. Out of fear, because we feel uncomfortable because all that is darkness comes into the light;

Envy, Jealousy, strives, anger, etc. etc. Gods Holy light has to shine in every dark corner of our being until there is no dark spot left.

So if you feel uncomfortable then you have to walk on and not back down, go meet the Father. He loves you but He is Holy and the cleansing process takes place while you walk towards Him.

There where light is darkness has to disappear
It is your sin (darkness) that separates you from God, so you have to start walking towards God. Making choices to deal and leave behind old ways.

Now I discovered within my journey that many times I even don't want to change. But I also discovered that God had already a answer on such attitude as well. He says I will work the willing and the works within you, WOW even if I get stacked due to my behavior He is able to provide solution. But I must remain honest, by going to God and saying Lord I want to sin and I don't want to change (HELP ME). Again like King David said God see if there is a treasures way within me because my own hart deceives me.

Revelation says by new white clothe and Oil from me for free.
Meaning come and receive forgiveness (white clothe) and Light (Oil "Purification [anointing "separation for a special task"]") to shine into the darkness.

You changing will prevent the infection of sin to spread into the world. However there will be a time all will come to end. How is that possible? Because the harvest becomes smaller and smaller, there will be more Christians dyeing throughout time then new getting saved to continue the work. Simply because the world is hardening their harts and it becomes tougher and tougher to be and make a

choice for Christ. That does not mean we should stop, it means we have to work harder and know that we do have the ability from God to still turn around and to postpone the inevitable so that more will be saved (remember the story of Nineveh).

To close a final sample:

1. **Man steals money (Sin)**
2. **Lady who's money was stolen can't forgive and gets depressed (reaction)**
3. **The children can't get no new clothes (result)**
4. **On school they start hitting out of jealousies or frustration(transgression)**
5. **Mom cant dealt with these issues and start steeling clothe to soften the mind of the kids (Causal effect)**
6. **She get caught and hand over to the police(result)**
7. **Police calls welfare and kids are taken away(action)**
8. **Mom gets more depressed and in frustration commits suicide (Sin).**

Now this already might have happened in real live and on action of sin and one decision not wanting to forgive made this situation get out of control terribly. If she would have forgiven the root of sin and al it effects would have stopped. Is she to blame? No! and Yes because her actions / reactions had effect on the surrounding and they were not guilty of the sin of the man that stole.

It is our job to do damage control, to teach the people about forgiveness, grace and love.

Adjusting the Mind

What most of the people do not understand is that the bible is not written confined to a time frame. Let me explain; the book of Revelation is not only speaking of the apocalypse as if it is the end time book as many people think. There are at least 7 time frames (at least to my current knowledge) of which Revelation is speaking about. That there are multiple time frames is also confirmed in the following scripture;

Revelation 1:19

Write the things which thou hast seen, and the things which are, and the things which shall be hereafter

Lets look at the following scripture to gain some understanding

Revelation 6:9-10

And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held. They called out in a loud voice, "How long, Sovereign Lord, holy and true, until you judge the inhabitants of the earth and avenge our blood?"

Now this are not only the souls that comes forth during the great tribulation. This speaks about every soul throughout all the centuries whom have been slain for the Word of God. So this scripture is time spanding.

It is up to us the hidden secrets

Proverbs 25:2

It is God's privilege to conceal things and the king's privilege to discover them.

Revelation 8 is a apolypcal chapter as were everything gets slained trough judgement. However this is an ongoing judgement leading to the final event. It is like Jesus said you will hear rumors but it isnt the end yet (free translation).

When God speaks judgement many times is spans overtime so if He states one third of the fisch shall die it is an ongoing event. Births, Fish are dying with out clear reasons it was happening then, its happening now and near the end it will happen on great scale more then we could imagine.

However since this is a short bible study and not a book to explain everything you have to dig into it yourself.

Time Frame

One of the Biggest challenges is to discover the seasons according to their fruits. Now we have all learned that revelation is an end time book.

This is a misperception and that's why we have such difficulties understanding this small book yet it is of major importance to understand this last book of the bible. Somewhere along the time this book was mentioned as an end time book because of its apocalyptic view. However many of these apocalyptic messages are to be found through various books within the bible – including the old testament. So what's so special about this book then or what makes it different. Well this is the only book revealing the blueprint of God's plan from the beginning until the end.

In **Revelation 1:19** The angel says to John:

Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;

Now I am going to touch this scripture and juggle just a bit with the words. Not change the content of this Holy Book but to open your eyes so that you may come to a better understanding when reading Revelations. In fact what the angel did say to John in **Revelation 1:19** was this: **Write the thing down what was, what is and what's yet to come**

Wow is this not amazing God was revealing the whole plan of John from the beginning of the creation until the end of the creation.

To better understand what is ahead of you is you need to grasp the following points:

- A scripture spans the timeline

- A scripture can speak about passed and future event
- A scripture can speak about passed events
- A scripture can speak about future events

Lets look at the following scripture to gain some understanding

Revelation 6:9-10

And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held. They called out in a loud voice, "How long, Sovereign Lord, holy and true, until you judge the inhabitants of the earth and avenge our blood?"

Now this are not only the souls that comes forth during the great tribulation. This speaks about every soul throughout all the centuries whom have been slain for the Word of God. So this scripture is time spanning.

It is up to us the hidden secrets

Proverbs 25:2

It is God's privilege to conceal things and the king's privilege to discover them.

Revelation 8 is a appolypcal chapter as were everything gets slained trough judgement. However this is an ongoing judgement leading to the final event. It is like Jesus said you will hear rumors but it isnt the end yet (free translation).

When God speaks judgement many times is spans overtime so if He states one third of the fish shall die it is an ongoing event. Births, Fish are dying with out clear reasons it was happening then, its happening now and near the end it will happen on great scale more then we could imagine.

However since this is a short bible study and not a book to explain everything you have to dig into it yourself.

Time is expanding; there are cells that continuously renew themselves, since God is a eternal God his building blocks renews themselves continuously. We are these building blocks within the body of Christ. There are cells that not renew themselves see the parable of the sower as well.

The Holy Spirit gave me once a revelation on a philosophic way a long time ago. I love to philosophy thinking and chewing on things, the how's, the what's the why's, etc.

While God is in the house, He builds His house, overseeing the House, expanding the structure. The lord says I also have revealed myself through nature and therefore mankind has no excuse for not believing. There is such a tremendous prophetic revelation in Gods nature that many times people miss it is something that surprises me. The air is really loaded with God and His word and it is there for any one to grab it, why don't they?

If you take for example Ezekiel; when he was sitting at a place cooking his meal.. Picture this him sitting somewhere in the hills, all alone. He chopped some wood for a little fire, putted some water and did it together with the meat in the pot. While it already was dark, animals howling from time to time he checks the meat in the pot. He starts steering at the fire and dreams away, God speaks to him and tells him about a pot which signifies Jerusalem and the meat with in it. A fire of cleansing trying to get the roest of it.

Here he receives a define revelation that is to direct the people. Correction, judgment, Gods word comes to him in a deep prophetic way.

Bit by bit he comes out of his vision and smells the overcooked and probably burned flesh. The momentum had take him so far away into the Spirit that he forgot that he was cooking. He looks at the pot it is totally burned and became un useful and the meat in it overcooked and burned.

The revelation has completed he stands up and go's to the people sharing the word that God just revealed to him in a vision.

It sounds simple does it not? Well it is simple but if you do not study the word (which reveals clearly how God thinks, acts, speaks; then you

Are not able to comprehend. That's why I find it scary when people start prophesying or playing prophet or what kind of ministry they may have but not pouring out Gods word, what are you going top tell or teach the people. I know we as mankind are fail able, however God and His word is not. The reason why there are so much wrong doctrines or even in accurate prophecy's is because people hear/see something, and start running of telling every body what they received. However they have no understanding of the word of God and many time interpreted the word/revelation wrong. People like hocus pocus, sorry but God is not the wizard of Oz. Most of what He wants to share Hhe many times do it in our realm.

Look at the Fig three Jesus says, discern the season it is in. Also did He say to His apostles how can I tell you about the things of heaven if you even do not understand my word. Revelation at all time comes through His Holy Spirit, so it comes out the realm of the Spirit, He himself has taken it out of the Hart of the father and brings it into the natural realm. It can bee by visualization, clear spoken words, dreams and vision, an image a feeling or most of the times the things that happens in the natural realm. Again if you do not know the word, or do not study it how are you going to discern?

You become over spiritual and then are not different then those freaky people that hugs three sucking the energy out of it. You know the sad part?

That same three is stacked to the ground and is not able to speak, for if he would be able to move he probably smacked you away with one of his branches. Saying that he doesn't like your face and that you need to get real and hang out with your own sort.

Ezekiel and his pot is no different then you standing behind your Gasfornuis today. Through normal things on a daily basis God is speaking to us simple stuff many times very basic. Ask God for discernment.

Everything God creates is expanding, becoming bigger, progressing, vibrant alive. All reveals in a surten level things about His majestic being.

Now lets take the universe it is expanding from the day it is created, for science it is unlimited and eternal. The world, the planets and the stars are moving in the endless universe traveling along in its expansion. The revelation in this is that God in His greatness is becoming Greater, that why there is no beginning or a end. Pray to God that He may free you from the beginning and end concept, because that's holding you back on receiving or understanding many revelations. He did with me and I even did not asked for it, that's the great thing; but am very happy with it.

John the apostle sitting on his little rock on Patmos in the loneliness asking himself why God allowed him to be captivated and brought him to this no ware land. It probably took years before the revelation came, he needed to be purged of everything around him. God needed a clear mind not occupied by daily stuff which most of the time only

can be achieved in the lonely places. I will get back on that topic later.

While sitting on a rock staring on the endless sea, listening to the waves crashing on the rocks. He meditates on Gods words, how to go further with this world, he ask and probably shout GOD DOES IT END HERE. Was this it has all been in vain? Is all lost? Many questions and then wham he is taken out of the realm of the time into the realm of timeless.

Now that itself let to a momentum of disorientation. Imagine you being used to walk in time being pulled up into the realm of timeless; it's a bit like astronauts, you are so used to live with gravity then your time has come to be launch with a rocket into the universe. There is no gravity, first you feel the pressure while the rocket fights its way up trying to escape the earth. While the magnetic fields of the earth is trying to get a hold of you not wanting to let you go. Then finally it succeeded they escaped the claws of the earth and its claim, floating around in a non gravity environment. They feel disorientated but at the same time free, it takes time to adjust to this new environment. Now at the same time they are still with a mind that lives on earth so every action they take will based on their experience having gravity, all do it is not necessary because you can let something fall and it will not break. Their minds and their experiences are in the way to fully understand and comprehend the experience it would take time(s) to be adjusted.

This is what happened to John, out of time into timeless. God is answering his question and he gets so many impressions that many time he writes down I looked like or it sounded as or it was as. He found it difficult to comprehend and writing it all down because his time experience was in the way. The book revelation gets born in that time also called the apocalypse. The end time book and also threaded

in such a manner, maybe because it was the last reasonable story written and added to the collection of the canonieken what divines the bible today.

Maybe because it is the last book of the bible that people needed to know how the end times would look like and started to consider the book of apocalypse as end time revelation. They needed a closure and found the book of revelation a book of secrets and therefore determined somehow that this is the last time frame and time.

Sorry but that's a misunderstanding Apocalypse is just the same for example as Genesis as Genesis is Apocalypse.

We even can find proof in Revelation 1;19

19 Write the things which thou hast seen, and the things which are, and the things which shall be hereafter;

John saw Gods divine plan from the moment the universe was created until the last day to come. At this moment there are at least seven time frames in Apocalypse (at least to my current knowledge) going forth and back and back and forth. In one chapter he can start talking about the Christ being born in the first verses then jumps to the beginning of the creation then go to the end time for then to go to the moment Israel was living in captivation with in Babylon. His brain was in the way, he was so used to thinking in the temporal realm that the whole vision got written down the way it is. I believe God new that this would happened and wanted this to happened and that all written down that it seems like a book of secrets; which it is not. Because from the moment you can grasp what has happened 80% of apocalypse becomes clear. Well by saying this I now probably have created some frustrated people that where studying revelations for many years and spend hours on research. Well sorry

can't help you there if the foundation in which you started of was wrong you receive wrong doctrines.

The book revelation is the blueprint of the creation which God has laid down, it is his complete plan from the beginning unto the end. Pray to God that he will give you the mind of a heavenly architect so that you can read the design.

Because that is what it is a design in words and you have to find the measurements and discern which part has been finished which part we are building now and which part yet to be build.

Time for the next part to explain how God did the things the way He did it.

When God created in the beginning the heavens and the earth there was an explosion of such a force. Imagine out of nothing something is created in nothing, you have to chew on this. I concur with a part of the Big bang theory, when God spoke it must have sounded as a big explosion. In the nothing he created something a new dimension was formed, my goodness that must have been a spectacle. However he created two dimensions, first the heavens and all inhabitants and later on the universe and its inhabitants between these two moments million of years could have passed by. First He created the timeless and now the shocking thing is in the timeless He created the temporal dimension. The scripture where it says they can see out of the darkness into the light but from the light not into the darkness is applied here, I will not get in to it at this moment because it simply is not the time for it (I do not want to create confusion).

We are all ready in the heavens but are not part of the heavens. Just to clarify and keep it simple (joke). God created a sound which led to the creation of the earth, the universe and all that is in it. Now in that

same sound He release the first star gets born the earth gets formed and the last day of the universe is defined.

Every revelation, every fulfillment of prayer, every answer to every question ever to be asked is in that sound. In that sound Adam is created and in that sound the last man on the earth gets born and dies. While Adam comes into the realm of heavens he looks back and see the last person of mankind coming in at the same time.

Remember in the heavens there is no time, that's why God says one day is as for like thousand years and thousand years is as like one day. The magnificent sound the music of creation was released and is still progressing, that's why the universe expands and the world travels along within the universe, everything is on the move and nothing is standing still. We are on the wave of that sound and being pushed forth until Gods sounds turns back to Him. So all is being pushed into God to end up before God, it came forth out of Him and it will return back to Him. I sincerely hope you can grasp all of this because it is time people get into time, because the majority of ministers and Christians are out of time, they are out of date so to speak. They are taking revelations out of the realm that is 20 or 50 years back. Or I am ahead; well in that case I want you to leap and get the same thing I am getting. The more we know the better it is (as long it does not confuse you). If I pray my prayer extends to time the same way it did when God spoke, or when His prophets declared, and certainly the promises and the work of Christ is still coming to fulfillment even now.

Image

We are created in the image and likeness of God says the bible, now God is a God of creation and we have received the ability to shape and to create in the timeless dimensions to a surten extend. We have the potential to build Gods kingdom on the earth

Every where you go that place shall be given to you

God said to his Spirit lets send them out of Eden before they eat of the three of live and live for eternity. First they where eternal beings but they got stamped on their forehead, and given a houdbaarheid datum. They however was still beings in the image and likeness of God but lost their innocents, they received wisdom before there time. Wisdom regarding the knowledge of good and bad. Before they only new the good things and where there to manage Gods garden, the first thing of creation that mankind did was giving every animal a name. That was an act of creation and they received the authority over whole the livestock and the earth.

However due to sin they and being creatures with the God given ability to create they now had the ability to create the bad things as well. Which we all dearly did throughout time. We are the once that keep satan in place, even satan can not claim what does not belong to him. I will not get into this because I do want to stick more to time frame, but am writing a book that will be released in due time that covers this topic.

Mankind received the ability to expand and to create in the same way that God did, however due to sin they lost their ability to create in the spiritual realm. Even for doing and trying so was considered as trespassing since we where cast out of the Garden of Eden which equals to the Kingdom of God. Due to sin our spirit died (the first

Adam was a living making soul and the last Adam “which refers to Christ” was a living making spirit).

We also have received the Holy Spirit as a covenant (which also equals the covenant of the Rainbow given to Noah) and since God is Spirit (Genesis 1 verse 2). We need have spirit to understand God, which we receive through the Holy Spirit (Acts 2 verse 4)

From the day mankind was created they started to create; they were even given the ability to produce live. Creating offspring / lineage. In Christ we are restored and have received the ability to create in the spiritual realms again. Expanding God's kingdom into the earth for the greater good and to the Glory of His purpose so that He may be exalted through us all. Christians really have no idea what their potentials are which not only have been given to a few but to all (Marc 16 verse 20). God did not want a few to be Giants but all of us, we are making people to giants in the same way the people of Israel asked for a king. We are not acting different than they did in that time; the difference between the current spiritual Giants and us is that these Giants know who they are in Christ. The mistake these Giants make is that they are not educating the people properly enough how to be a Giant and to keep the revival instead of letting it be another momentum in time frame.

That's why God has given me the ability to advance, enhance, to equip and reequip people. This is the time when people must understand their full potential and identity in Christ. Not for the sake of the power, the authority to manipulate but for the glorification of God. How else would people want to except Christ if we present Him as a weak God. The only reason why God has kept it hidden until now is because the people need to become in adulthood and responsible before they can start working with that what all ready is with in you.

Does the bible not say:

- In Christ all things are possible
- Greater is He that is in me
- Even Greater things then I done you shall do
- All that you ask in my name shall be given
- Ask and you shall receive
- Make me acquainted with the wishes of your hart and I shall give them to you
- If two or three agrees up on one thing it shall be given unto them
- In Christ we are (well odd) to be one (In unity your are able to achieve anything)
- I really pray that all stays hidden if you are not ready and will not understand what is written here.

I could go on but it is time you start finding out yourself what kind of ability you have received. We are standing at the threshold of a new age and all will be changed. It is time that the body of Christ arises and understand their full potential and God given powers for the greater good. That's why you are the body of Christ so that you will be like Christ with the same authority and ability's.

In Christ you have received the ability to become a son of God, when God speak about Jesus being the only born son of God that does not contradict. We are the body of Christ and due through that we are equal to the Son of God. Come on people it is so simple why don't you grasp it? That's why we must act in unity because we work as one all things are possible, the reason why God scattered the people at the time of the tower of Babylon was because they where acting united. But it was unity of the flesh, we are different we must act as one in unity of spirit, hart and mind for the glory of God. That's why Christ said and greater thing I did you shall do, because we are with many.

Jesus is able to rule over the elements, he has the keys of hell and death, he has the key of David, He is High priest in the Order of Melchisedek. He is able to heal the sick, He is able to raise up the dead, He is able to alter course of events. He is able to deliver people, He is able to set the captives free, He is able to brake the yoke, He able to open prison doors and while having all these abilities and presenting them to the earth He says to the people if you see these things happen then know that God s kingdom is ad hand. Well we have seen it coming as flows but it disappeared later on, because their where no inheritors that would take over to carry the Vaandel. Or they where not equipped enough the way Elia theached Elisa and Jesus theached the apostles so should they who know the God given authority equip the people. How just a strong three years training will do (at least that's what Jesus did). Serve those whom have been placed under your responsibility and allow them even to become bigger then you, if you can't do that then don't be a minister you have to step down or change. Serve those who are in Christ and govern the world, rule the heidenen. There has been much confusion about a scripture Jesus being all ready before the creation let me explain so that behind believing it you also may understand. Word is equal to sound when John says in the beginning was the word and the word was with God, Jesus was indeed their with God. God took His voice out of Him and gave it a body, an Identity and ability to act upon His own and called it Jesus Christ. The living word, since Gods word is able to create live it is obvious that Jesus is called the living Word. That's why the trinity is an accurate doctrine in contraire what the Jehova-Withnesses believe.they do not understand this principal and therefore discharged the fact of trinity. Since Gods voice (sound) became a personality with ability to act upon its own it still came forth out of His body. That Word is a part of His body and there for it is a united being, God took His voice and called it Jesus Christ the representative of the Father and because the voice is still God therefore He calls Jesus Christ God.

That's why Jesus says I cant do anything unless I have seen the father do it or hear it. Gods word (Jesus) looks at Gods word and educate Him self by doing in a united way the father did. God's word is like the Gospel it has been send forth into the world to speak live to the nations and speak live to the people. That's why Roman 10 says who shall climb to haven to bring Christ down or who shall climb down to bring Jesus up where is the word? It is in your hart. For that reason God says I now have come down to live amongst my people He inhabit us the full expression of the word of God lives within us. The essence of creation which has been restored to us through Christ lives in our hart and therefore we are able to create. OH MY GOODNESS

DO YOU NOT UNDERSTAND THE MAGINFICANT POWER OF THE GOD ALMIGHTY LIVES WITH IN YOU.

In Matthew 6 Jesus clearly says don't pray so much for yourself, the father all ready knows what you need. That does not mean that prayer is important but you must learn to pray on a governmental level by declaration and proclamation calling in existence the spiritual things into the natural realm. The only cause why many things not seems to work for Christians is because they lack the knowledge. The bible clearly speaks about the fact that His people perish due to a lack of knowledge. If you pray wrong you will not receive, if you don't know who you are, then you are confused and equals like a wave on the see (James)

He healed the sick, how? Simply declared be healed
He delivered people, how? Simply declared be free
He provided to the people how, simple prayer and declared abundance
He raised the dearth, how? Just by proclamation calling them out.

The Apostles where successful by just doing the same. Man if you do not standup now, don't make me come and slap you.

The Beginning of the calling

God created man and woman and they were in the garden of Eden. He placed man as head above all as Christ is head of his church. God brought to Adam all the animals and told him to name them all. This is the first real action we see Adam acting on his free will, God gives him the power to create names. He involves Adam in His creation and even makes him Lord of his creation. So from the beginning mankind was called to rule and destined to subdue (to be interpreted as manage) all things under his authority. That's why the bible says that God made man in His own image and likeness. We are created as little gods (John 10:34-36 and Psalms 82:6) and have been given abilities as God according to His character. And while he created Adam, he blew a spirit of life within him which was his Holy spirit. He made Adam fully equal to himself by creating him with a structure such as body, soul and spirit, a voice to speak and a will to choose. Created within the image and likeness of God. Adam (we) received the ability to choose, to think, to rule and to usher authority but only in the realm of where we are created in.

So all the animals were brought to Adam, and Adam named all creatures on the earth. Now the funny thing is that the word says all creatures including the serpent which was and is Satan. The following scripture in the bible says Satan was part of the livestock.

Genesis 1: 26

And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them. 28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over

the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Genesis 2:19

And out of the ground the LORD God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. 20 And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not found an help meet for him.

Genesis 3: 1

Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

Genesis 3: 14

And the LORD God said unto the serpent, Because thou hast done this, **thou art cursed above all cattle, and above every beast of the field;** upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:

So from the beginning of mankind, Adam already had the authority over Satan. Adam named all creatures including Satan and gave Satan the name serpent. God told Adam and Eve not to eat from the tree of knowledge of good and bad, *“because from the moment you do so you will surely die”*. Now Adam is wondering somewhere and Eve is alone, probably bored and here comes Satan who is the serpent and starts talking to her. Now let’s take a step back in time. The bible clearly states that Satan was thrown out of heaven down to earth. And the bible says: *“woe unto you inhabitants of the earth for the devil is now amongst you”*.

Be aware that there is more clarity in the bible on creation as far as the majority of Christians understand. However I cannot address this

here simply it would lead to an whole different message but it will complete this message.

Satan was kicked out, thrown on earth, created a tremendous damage because Satan could not stay in heaven and was therefore kicked into the universe down to earth. It is like you have your own house and a family and suddenly a son starts to rebel and tries to take over your household. You warn him to stop but he continues. Eventually you will tell him to leave or kick him out (if you are person with some character).

Now all focus is on the earth and we don't know how long Adam and Eve or the serpent were in the Garden of Eden, since all were everlasting beings. At that point of time, it could have been for thousands of years, I believe that the counting of years came to existence when end of live became fact. Now God told them not to eat from the tree with the knowledge of good and bad (that tree stands for satan). What God was saying to them is; whatever you do, don't listen to any other creature then only to Me. Satan was aware of the difference between good and bad.

Lets go to the level of philosophical doctrine (we can only do that if certain information lacks. however it can never be above written doctrinal or behavioral doctrine or even cultural doctrine). Meaning it can enhance the understanding but can never be used as a solid foundation of truth.

In all that time, Satan probably came by for years and years trying to draw the heart of mankind away from God, but mankind ignored Satan over and over again. He was jealous, because they had taken his privileged place he once had with God and he was not going to stand for it.

This probably came to his mind: ***“if I can’t have God, then they will not have Him either”***. There came a moment when the woman was alone in the Garden of Eden and Satan came by and could have said something as ***“where is your husband?”***

Eve did not respond and went on doing the things she was doing. Again Satan said ***“where is your husband, is he with God?”*** Eve still ignored Satan, but then as cunning as he was, he probably drew her attention with a remark such as ***“Well you better watch out because in the beginning I had the same relationship with God but when He has enough, He will throw you away”***. ***“You better watch out because your husband seems to have a good relationship with God, maybe he will lose interest in you”***.

A very interesting sample of such interpretation we can find when Aaron and Miriam starts doubting Moses rights as spokesman for God (**Numbers 12:3**). They start doubting and moping regarding the privileged relationship Moses had with GOD.

Back to Eve: At that moment, the serpent got Eves attention. She pretended not to hear the serpent but he could tell she opened up. That was the beginning of the end.

- *“You know”* says Satan, *“if you eat from the tree of knowledge of good and bad, you become like God and that is not what Gods wants”*.
- *“Then you can keep Adam to yourself and you don’t have to fear to lose him to God”* says Satan.
- *“You will become equal to God having the same knowledge and wisdom”*. *“Believe me, Adam will start spending more time with you then with God”*.

Now we don't know if it exactly went like this but it could be. This is simple interpretational doctrine to prepare a way for deeper understanding of what our purpose is. Mankind was created to walk with God and should have its heart directed to God at all times. (1 Corinthians 7:33-34)

Adam had opened his heart and allowed another creature to advise them on things of life. Strange fact is that the serpent was led by God to Adam to be given a name since he was part of the livestock on earth. Adam and Eve eventually made the mistake to start listening to a creature in its fallen state, which was full of lies and deception. Their heart was drawn away and they suddenly found out that the Glory "which had covered them" was gone and they became aware that they were naked.

Satan's tactics are very clear; he is a liar and a murderer of mankind

John 8: 44

Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

How does Satan unfold his strategy? Let me elaborate!

- 1. The goal of Satan is to cut you off from the source
Isolation is his main tactic.**
- 2. To redirect your efforts not to the source**

He achieves this in the following ways:

Angels are serving beings and messengers from God. Satan got cut off from the source, has been cast down to the earth and is no longer considered to be part of those who live near the throne of God.

Satan likes to have discussions with angels, who are still in place, in order to find out God's purpose. Since he has no ability to receive profound revelation anymore, he has developed a continuous hunger and thirst. Therefore we have the scripture where it says that he is going around like a roaring lion seeking whom he may devour. His goal is to impress rather by admiration or else by fear. Now coming as a scary person makes you reject him immediately. So he will try to be Mister Simpatico, however the moment you start finding out what the truth is then you're already in his claws.

1Peter 5: 8

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour

He is a fallen angel who still seeks attention. In his former state he could be considered as a celebrity who needs adoration of the audience. If he is not able to receive attention, he will continuously:

1. Change the Word of God
2. to draw the attention to himself

Let's stick to option 1:

He will send so called "men of God" who come in the name of God to preach the word of God. Everything they'll tell you will seem correct and plausible and it will seduce your heart until you are blinded for the truth.

Jeremiah 14: 14

Then the LORD said unto me, The prophets prophesy lies in my name: **I sent them not, neither have I commanded them, neither spake unto them**: they prophesy unto you a false vision and divination, and a thing of nought, and the deceit of their heart.

Ezekiel 13: 9

And mine hand shall be upon **the prophets that see vanity, and that divine lies**: they shall not be in the assembly of my people, neither shall they be written in the writing of the house of Israel, neither shall they enter into the land of Israel; and ye shall know that I am the Lord GOD. 10 **Because, even because they have seduced my people**, saying, Peace; and there Was no peace; and one built up a wall, and, lo, others daubed it with untempered mortar:

Now this equal could be false Christians, pastors, evangelists, apostles or any other for that matter. That's why it is important to study the word of God, how else are you going to discern the truth then only by trough revelation through the Holy Spirit. The bible states that only the Holy Spirit knows the true hart of God. To come to the full understanding the word is the expression of Gods hart, the veil is taken away when you accept Jesus Christ. Then the written word comes to live, however you have to eat that word so that it fill your stomach and hart

Satan will twist the word God spoke. the devil the truth for "example" 80% but the other 20% is a lie, so it is easier to accept but the 20% lie make the whole revelation a lie. Read the following scriptures for underlining the fact

1 Corinthians 5: 6

Your glorying is not good. Know ye not that a little leaven leaveneth the whole lump? 7 Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us: 8 Therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth.

This scripture describes clearly that if a part of something is corrupted eventually it will decay everything (unless it is cut out). That's the trick of satan it is called contamination, he cannot prevent you from getting to the truth. So he developed a new tactic trying to contaminate the truth, twist some words, at a little lie.

How? Very simple most of the time with a small doubt, or a seed of sorrow. So how do you come against it? Well study the word!

The scripture refers to sincerity and truth and those are your counter tactic. The truth represents Gods word and if your hart has sincere intentions you will be able to purge. Lets go to the next scripture

Genesis 3:

- 1 Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?
- 2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:
- 3 But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.
- 4 And the serpent said unto the woman, Ye shall not surely die:
- 5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.
- 6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

Here it says that the devil is subtle. He came with a question doubting immediately about the context of God's word ... **hath God said ...**

With other words doubt, he is transparent in his tactics. It is the same tactic he used in the dessert against Christ: **...if you are the son of God...**

Here also lays the main reason of where sin started, many Christians have tried to define the first sin. Well this is it and its called doubt. No reasonable being with multiple insights and wisdom would come

against God unless you would start doubting his almightiness. God walked with Satan on the mountain of fiery stones where secrets were shared in an intimate way- The devil is described in the Bible as a holder of incredible beauty and wisdom (**Ezekiel 28:11-19**) until inequity was found in him. Somewhere in his distorted mind he thought he could become equal to God. This can only come to pass if you start doubting God-

Satan's approach is based on creating doubt; it lames you. He will try to get your attention and as soon as he sees in your eyes a response that he has your attention he will present a solution. In a manner as let put the words of God to the test. To Adam and Eve eat, to Christ bow before me.

The first Adam acted within the flesh the second Adam (Jesus) within the Spirit. Meaning the only way to counter the attacks is by the Spirit.

Matthew 4: 6

And (the Devil) saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone.

He will take scriptures out of context, by using a part of God's word but with a twist: not everything that has been written before and/or after he will take.

Now such a statement can create a witch-hunt, because in these times we do not know everything and only in the end, when we are in Heaven, we will fully understand. So take into consideration that ministers of God can make honest mistakes. Meaning that not all are under the spell of the devil; if a genuine mistake is made. At all times each person has its own responsibility; that's why you have to study

the Bible thoroughly on topics before we can accept a doctrine as a truth in our lives. One golden rule I use within my life is this;

If I know for sure that what I know, about the things I know, is certain then I know that what I know, about the things I know, has been reconfirmed scripture after scripture.

In these times there are many so called “prophets”! People who have the gift of prophecy and now wonder around as prophets prophesying over mankind. They are trapped within the spirit of entertainment. Prophesying what people want to hear. I do believe in personal prophecy but in these day’s there are so many that it takes away the focus of you personal interaction with God. Why are there not many personal prophecies in the bible? Most prophecies are based on strategy and on a governmental level within the Word.

Sample 1:

You are called to the nations, duuuuhhhh
I can find that in the bible, I do not need a prophet for that.

Sample 2:

God loves you . Duuuuhhhh
I can find that in the word to.

If God calls and when God calls; He then is very specific. I cannot find one prophecy in the bible with a clear roadmap. Yet we see a lot of prophets but they lack the sign that comes along with the office of the prophet. Words, empty baskets with no real guidance.

At the same time it is also what the people want, some self glorifying words without a clear direction. There is nothing so sweet

and fulfilling for the flesh then a call for great destination but without any clarity in front of the congregation. Yet when God calls He also revealed the purpose, denial of the flesh and to hand over your live for the other.

Prophets where called to create foundations, so what foundation has been created? It looks like we are overwhelmed with flyby prophets they come and go.

On the other hand there is also much resistant towards the right prophets. A true prophet will never compromise, he will counsel on a level of government. He could not care if you follow it up or not. That's not his responsibility. Whatever he will tell you will absolutely direct your path towards God and never to your personal flesh or himself. I could go on this topic for months however that's not the intent of this book.

Again this does not mean, all are like these but how do you discern? Study the behavior and interaction of the men and women of God diligently as you find them in the word. It's not that difficult, I will help you out.

I have taught my children never to accept a prophecy which is not biblically able to be checked. These last years I have seen so many prophets prophesying regarding relationships. God says this will be your man or woman, have also never seen so many prophecies fail. To understand why this is incorrect you have to apply behavioral doctrine. Simply we do not find a clear sample in the Word where God used a prophet to connect a man or a woman on such level. He will create opportunities and he will listen to desired prayers. To the level of presenting each other but God will not intervene with your freedom of choice. Then He has to manipulate the other to satisfy

your need? The operation of the soul is so delicate that one wrong word, step or action blows it completely out of the sky.

A prophet or minister has a devoted life towards God. Secondly, he/she does not widely open his/her mouth every moment the person receives a clear word or clear counsel from God. Most of the time people dislike the prophet. Most of all, he/she is accurate!

So my advice, about vague visions, dreams, or words from any person which that person is not able to explain, would be: dismiss it immediately!

Now I have done it; I know there are preachers, teachers and books which say otherwise, based on one scripture in Corinthians that says we will only fully understand in when we're in Heaven. Well, that scripture is a truth I even used it before, however taken out of context. Prophets did not know the full extent of Gods plans from the beginning to the end, but they fully understood the information they received to pass on. There was nothing about the message they received, that was unclear to them. It wasn't like that in the Old Testament nor in the new testament. If push comes to show, I only have one reference which is the Word of God and I do not find an inadequate prophet who did not have a clear understanding of what he received and passed through. So why do I have to settle for less?

Another problem is books and yes, I know I am writing one as we speak (or rather as you read). Books with revelations of ministers or about visions which I cannot clearly back up with scripture. I might use some scriptures in a certain context but cannot really say it has a strong biblical foundation. Paul says: **"...do not have too many teachers..."** and another scripture clearly states, when he writes to a church, **"...who has confused you...?"** I am all ready an open shot because I am convinced by resetting foundation automatically you

will feel a bit confused. But I can only take away if I replace and that I will do so that in the end there will be a solid foundation with new insights.

Being able to prophecy does not make you a prophet, but a prophet is able to prophecy. Persons who only prophecy on a personal level, giving personal messages are most of the time persons who have the gift of prophecy but a real prophet is able to go way beyond that and ministers on different levels which will be explained later on in the book. Any minister, but especially a prophet has a burning desire to deliver the Word of God but at the same time he/she has a tremendous diligence, patience and often even a reluctance to pass on “a word”. Even if they don’t want to, something burns within their bones and it still comes out. After they delivered the word they consider their job done. It is then up to the people to accept and to obey by their own free will. Prophets do not manipulate!!!!

You will never discern unless you study the Word of God.

Come on now, wake up!!!!

Let’s go to option 2: Taken away the attention from God

This is also related to praise and worship

I have ad a separate appendix on praise and worship as well because it is so tremendous important

Now Satan will try to steal the worship from God because he knows that God dwells in the praise and worship of His people.

Psalm 22:3

But You are holy, Enthroned in the praises of Israel. (New King James Version)

John 4:23

But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. 24 God is a Spirit: and they that worship him must worship him in spirit and in truth. (King James Version)

Praise and worship equips you and brings you closer to God. It is an offering of the heart toward God.

The bible says ***“I will use my Apostles and prophets to draw the hearts of the children to the Father”*** while Satan will do the opposite by corrupting the praise and worship.

How?

Simply by defiling it with earthly music or music he initiated. Worship is offering and should not be mixed with stuff that has not been born out of or been poured out by The Holy Spirit.

Let's take an example of Aaron when he was instructed to teach the new upcoming priests how to offer in the Holy of Holiest. Among them were his sons whom he taught all the requirements and all the other things they needed to know. Then the time came, they had to deliver the offering according to the ways they learned. The first time should have been a great honor to them, they should have been proud on the fact that they were specifically elected to carry out this devotion before God but no. The word tells us that when they had to deliver the fire for the offering for the first time, they brought strange fire before God. Meaning; it was not done according to Gods specific instructions and as consequence they were both struck dead immediately.

How can we ever think that it would be acceptable to God when we use earthly music and put Christian lyrics to the songs? NO!

How can we expect it to be acceptable when we use house, reggae, hip-hop, rapping, trance hard rock and etc which originate out of sin and directly come out of the world? It is like Cain's offering; work of the flesh, taught by mankind but the heart is not in it. We are talking about the heart of Gods Spirit and it did not come out of His heart. I have heard so many excuses about these things "well we can reach the young people because else they will not come". So we deceive them with strange music and make it a part of Christianity. This makes me sick to the stomach. Actually you're saying I lack anointing and therefore I will trust on the abilities of my flesh and the world to reach. THAT IS DECEPTION.

The bible says "I seek worshippers in Spirit (AGAIN IN SPIRIT) and in truth (AGAIN IN TRUTH)". If you have no anointing or if you are not aware of the amazing marvelous power of Jesus within you, then why should anyone bother to come and listen to you? I would not. Am I being too harsh? I sincerely hope so. Don't you know how serious this is? By using worldly music, you are not worshipping God but you are using the well of the devil or the flesh, you decide which one is worse. If no one gets drawn to you because of your work and you have to use worldly stuff to get people to you, something is totally wrong within your ministry. If this is the case, then stop and go on your knees and stay on your knees until God has poured out new things within you to bring to the nations.

Satan distorts Gods intention by creating doubt about the meaning of the words of God and creates praise and worship outside the realm of God. Even to challenge and offend God, satan infects the Praise and Worship towards God by bringing strange fire before him.

Remember the story of Aaron's sons? God seeks worshippers in Spirit and in truth, now you tell me: Is music out of the world founded on the Holy Spirit and Gods truth? Is there a remote chance that the Holy Spirit was there when house-music was created in dark dungeons of homosexuality? Was Gods Spirit there when Bob Marley smoked pot and created his reggae music? Was the Holy Spirit there when hard rock groups created certain rock where they smashed there instruments on the podia's or where the most horrific lyrics came out of their hart and put into words?

Is God not able to provide any type of music based on His Holy Spirit and His truth? Music that is Holy and God wordy to be offered without interference of the flesh or the devil for that matter?

Be ye different? Where in the world but not from the world? In what may I ask if we think we can bring worldly founded music as a offering before Gods throne this would be acceptable to Him.

Where have we rectify this behavior and diminished the standard of Holiness where we approach God with. You may disagree but it seems you do not want to hear because it does not suite your agenda.

These are satans strategies and on these two stones his whole work is based, very clear and very simple.

Lost inheritance or just fooled

Let's go back to the Garden of Eden and analyze the Events that took place that had led to this wonderful situation where mankind now is dealing with.

Let's see what God gave to mankind

Genesis 1:28 (King James Version)

28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Replenish the earth, subdue it and bring it into line with the perfect will of God. Remember He gave Him the power of the will but now we also see that God gave Him the power to fulfill Gods commands.

Genesis 1:29 (King James Version)

29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.

So it was given to mankind all the blessing to subdue, replenish and fulfill the earth. Can someone tell me when where I read that God took away what He just gave here? There was an altered course, they were driven out of the Garden of Eden; BUT they did not lose the command to fulfill, subdue, replenish or having dominion over it. I am searching as best as I can but I can't find it, HELP (I think)?

Replenish also means to fill up and blessing also equals empowering.

Let's look closely at the events that happened.

First event:

Adam and Eve were driven out of the Garden of Eden (**Genesis 3:22-24**) to work on the earth and labor hard, having fruits in its season under difficult circumstances (**Genesis 3:17**) *“remember what is happening here because it is a foundational stone; it is God bringing a curse to them”* The Garden of Eden represents the Kingdom of God which stands for righteousness, peace and joy (**Romans 14:17**). They lost their peace, their righteousness and their joy and from that moment on they had to live under pressure and hardship.

Second event:

is that Satan gets punished and God says *“from this day on, you will crawl on the dust of the earth”* (**Genesis 3:14**). That was clear judgment. His feet were taken away; Satan could no longer go wherever he wanted to go and was confined to the earth until this day.

Third event:

is that the garden of Eden was taken away from the earth?. Well that’s open for discussion we need to understand what the exact spot / realm is.

The Garden of Eden is an actual place that exists in a dimension. I know it sounds SciFi but it’s not; even science say that there are multiple dimensions beyond our capacity to understand or to reach. Aldo I do not want it to make it more complex we also need to understand that the Garden of Eden is a state of mind or a state of heart.

Before God locked up the Garden of Eden by Cherubim’s who guards the entrance.

Mankind was allowed to dwell within that dimension. It was not separated from the dimension we live in now it was flowing through each other. But due to sin it was taken out of the realm of access. When Jesus died on the cross the vail that separated us to enter into the holy of holiest was torn **(Matthew 27:51)**.

When Jesus died on the cross the entrance to the Garden of Eden was restored. But instead that we would walk within the Garden that Garden now came into our hart.

Luke 12:32 (New King James Version)

“Do not fear, little flock, for it is your Father’s good pleasure to give you the kingdom.

The Garden of Eden was / is a environment and not its physical location. The word 'Eden' also signify Paradise in Hebrew and in Sumerian it means fertile plain .

The Garden of Eden was the dimension where men where allowed in to the presence of God, a place of fellowship. Where righteousness, peace and joy reigned; where heaven met earth.

Before the Garden of Eden came to earth it was in heaven and after Adam sinned it went back to heaven from whence it came.

In the following scriptures God is referring to Lucifer (Satan before he fell), here's what He said:

Ezekiel 28:13-14

"Thou hast been in Eden the garden of God; every precious stone was thy covering... Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire."

This shows that the Garden of Eden was in heaven BEFORE the fall. Next we have the following scriptures:

Revelation 2:7 "...To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God."

The word "Paradise" here means "Enclosed Garden" and notice carefully the presence of the Tree of Life. I submit to you that this is none other than the Garden of Eden back in heaven where it was located before God brought it to earth.

In conclusion, the physical location where the Garden of Eden was located, no one knows exactly where it was or where it is today.

The actual Garden of Eden (The Paradise of God with the Tree of Life) that's back in heaven where it belongs and where every born again child of God will get to experience it's beauty and glory

Fourth event:

is that mankind's spirit died due to sin and that they lost the ability to live in covenant with God and to function in unity.

In **Genesis 3:3** we find Gods warning that if men would eat from the tree of knowledge of Good and bad they surely would die. So Adam and Eve fell in the trap of the devil and eat from the tree. Strangely enough they did not die instantly as they or we would have expected.

What did die then?

When they were in the Garden they were in God and God was in them. God breathed into Adam's nostrils the breath of life (**Genesis 2 verse 7**). His spirit abided within Him and they needed Gods Spirit to communicate with Him. Because God is Spirit **John 4:24** God is Spirit, and those who worship Him must worship in spirit and truth

Where does it say the inheritance of the earth was given back to Satan due to fall of mankind because of sin? Let me tell you, there is not one scripture in the whole bible implying Satan received the earth as a place to rule. What you will find is misinterpreted scriptures or scripture in which Satan takes Jesus up on a mountain and says *"if you worship me I will give you all the kingdoms on the earth"*. **Luke 4:1-13**

Have we not learned that Satan was a liar and a deceiver?

Satan implies to Jesus that he rules over these kingdoms as if he is the owner of it which was a clear lie which Jesus discerned right away. Satans influence reaches so far as mankind gives him

Romans 6:16: *Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?*

We will get back on this later and you will see who the true inheritors of the earth were, are and will be. In fact after the flood in Noah's time, God leads him out of the ship and reconfirms that the inheritance of the earth belongs to mankind. **Genesis 9:1-5**

Everything has been restored in Christ and the Garden of Eden, which is equal to the Kingdom of God, righteousness, peace and joy **Romans 14:17** is placed within our hearts **Luke 17:20-21**. The earth and its fullness belong to those who are in Christ Jesus **1 Cor. 10:26** for, "The earth is the Lord's, and everything in it, but even if mankind would not be saved through the work of Christ, then mankind would still remain the true inheritor. Where did the theology come from that Satan is the owner of the earth? I am telling you again; by miss interpretation, deceit and lies.

Psalm 24:1. The earth is the LORD's, and everything in it, the world, and all who live in it

Many misinterpretations come to existence under the following circumstances: mainly it happens when the Holy Spirit would bring a revelation to someone, which would only be a beginning of a big and glorious revelation He wanted to share. Many times it started off as a question popping into someone's mind with the intent that the person start researching it. However they start seeing it as an answer. They get so excited and started running with it not waiting for the Holy Spirit to bring the revelation to its completion. I am well aware this could happen to me to, however I learned to be very critical about revelations I received. I do not doubt the Holy Spirit but, in a healthy way, I doubt myself.

God says in **Jeremiah 17:9**: "The heart is deceiving above all things" therefore we must learn to wait in patience and research our new revelation. This means we have to dig in the word of God because

one thing is for sure; God will never ever contradict His own word but He is faithful to Himself at all times.

Revelation seldom comes over night, God has time and he takes time. Revelation (book of John) was not revealed nor written in one day, but 30 years. Many revelations takes up for many day's, weeks, months and even years before they are ready to be shared. If you receive a revelation diligence your self by postponing to reveal to others. Learn to be patience, revealing the right revelation in the wrong time equals to damage. That's why certain things in revelations seems to be hidden, because it reveals the tremendous power you have received within Christ. If you would understand fully how it would work in practical and you would lack the mind of an adult. Then you will be dangerous and damaging.

Ok back to what is the truth on who is the real inheritor of the earth. Does God not mention over and over again in His word that He builds kingdoms and He breaks them down? Does God not say that he appoints kings and takes them away? **Daniel 2:21**

Will God allow Satan to rule over His creation although things got distorted due to sin fall? Is it not Man giving satan continuously place to rule (Remember **Roman 6:16**... to whom ye yield). If God would allow satan to rule, are we then saying that God has become unfaithful? (**2 Tim 2:13** clearly states it is impossible for God to be unfaithful)

If God makes a promise, He will keep His word. If we become unfaithful, He still stays faithful, Why did we believe that Satan became the owner of the earth? Are we not making Satan ruler by believing this and therefore hand over our inheritance for the same reason?

The only thing Satan can do is influence rulers by lies and deceit because he knows the power of the word since he walked with God closely. **2 Corinthians 4:4** It is said that satan is a Liar in **John**;

John 8:44

You are of your father the Devil, and you want to carry out your father's desires. He was a murderer from the beginning and has not stood in the truth, because there is no truth in him. When he tells a lie, he speaks from his own nature, because he is a liar and the father of liars.

He knew many of God's secrets including the creative power of the word. Although Satan had the knowledge of this secret, he was never able to create **Hebrews 1:14** (angels are serving beings not creating). , since angels are not created in the image and likeness of God but are wonderful serving spirits as the bible states.

I want to address the scripture in Daniel wherein he prays to God which caused an angel to come after a certain amount of days, telling Daniel that an answer was already sent out the moment he started praying. However it took the angel 21 days wrestling with the Prince of Persia after which he received help from the angel Michael. And after having delivered the answer to Daniel, he was on his way to deal with the prince of Greece. **Daniel 10:12-13**

We have concluded out of this scripture that it is a fact that there are principalities ruling over countries being (fallen) angels. This theory came forth out of two thoughts;

1. We started to believe that Satan was owner of this earth,
2. The scriptures which say, we have to wrestle with principalities and rulers of the air

Let me explain to you a few historical facts: In these times, kings called themselves gods. This happened in many countries and was done in ancient times, even before the time of Daniel but continued in the time of the Roman Empire. A country could have a king who pronounced himself as god and there were princes ruling over areas in that nation under the authority of this king. They were all called principalities in high places and assembled when the king/ god would write a new law. The fact that rulers, such as mayors of cities or generals, were called principalities in high places or rulers in high places has been found back on many clay tablets and spendthrift out of the time of **soemeriers, akadiers, Babylonians, and Assyrians**. Such titles were common for rulers with authority governing districts, areas or nations.

A Jewish Rabbi, who lived around 1901, wrote a book about the wondering of the people of Israel. I did a research through the internet but also used his research as a source (**reference Chaim Potok**). Although his book has nothing to do with Spiritual warfare but rather gives historical description of the journey of his fellow people throughout the ages, his research became a good unexpected surprise for me and was a confirmation of what Gods spirit was doing in me.

Lets look at certain scripture that refers to high places:

Ephesians 1:3

Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ,

Ephesians 1:20

which He worked in Christ when He raised Him from the dead and seated Him at His right hand in the heavenly places,

Ephesians 2:6

and raised us up together, and made us sit together in the heavenly places in Christ Jesus,

These scriptures above does not mention any principality in the heavenly places but does address us being there. Now I would not like to be compared with a principality in high places (since I am called to be king within Christ). So what does the bible really mean then?

Daniel 7:18

'But the saints of the Most High shall receive the kingdom, and possess the kingdom forever, even forever and ever.'

Daniel 7:21-22

"I was watching; and the same horn was making war against the saints, and prevailing against them, "until the Ancient of Days came, and a judgment was made in favour of the saints of the Most High, and the time came for the saints to possess the kingdom.

Daniel 7: 27

Then the kingdom and dominion, And the greatness of the kingdoms under the whole heaven, Shall be given to the people, the saints of the Most High. His kingdom is an everlasting kingdom, And all dominions shall serve and obey Him.'

These scriptures above speak of a future event as where the saints being placed in High places/Heavenly places (the Greek allows both translations) and receiving the Kingdom and the dominion thereof.

But this is referring to seeding with Christ ruling with Him over the Heavens and the earth. Essentially rather it is the old or new testament

- Regarding the old we are to maintain the status quo and continue to manage the earth with what we have
- Regarding the new we are now Kings instead of only being the landlord of the temporary

Satan was cursed to remain in the dust (see Genesis) as while in Job it stated he was wondering up and in the earth. No heavenly or high places there as far as I know?

This simply communicates to us that Saints who inherit the kingdom of God are positioned in an authority and power above everything else.

These former scriptures speaks about the coming of Christ and His overcoming and our inheritance after his resurrection. The question would be when do you receive the Kingdom? Is it not the fact that we received the kingdom the moment we accept Christ?

John 18:36

Jesus refers to the fact my kingdom is not of this world.

Can someone explain to me why Jesus is referring to the fact my Kingdom? Was he not supposed to win it back from satan? If so how can He refer to His kingdom if he did not died and resurrected yet!

In **Matthew 16 verse 19** Jesus says I will give you the keys of the Kingdom of heaven(s).

Please again it says heavens not heaven. He did that after we got equipped by the Holy Spirit, or are we now going to state that we cant bind or unbind? Cause that's what Christians are thought to do

(by the way this scripture had nothing to do with demons, that's another miss interpreted doctrine). So the meaning of the word Kingdom in the bible speaks about a place of inhabitation, a place of ruler ship. The principalities in high places are not those who are dwelling within the Kingdom (heavens of Christ).

The earth is not the kingdom of satan. that belongs to mankind regardless there sinfall. They are the true inheritors that never changed as was reconfirmed even after the float to Noah in **Genesis 9 verse 2 and 3 (but read 8 and 9 fully to have a clear understanding)**. He reconfirms the ownership as was given in the time of Adam and Even. So there are not much kingdoms left where satan is the boss! So what are we trying to regain? We pray let you kingdom come on earth as it is in heaven. Meaning that same kingdom full of wrong principalities in high places? We where called to preach a about the kingdom of God, the heavens as we have read before. A possessed heaven?

All is in the definition of Kingdom, for example I always say my house is my kingdom or my chair my throne. So it refers to a certain space / environment as were someone is able to rule. What we have discussed here until now that what is on the service of the Earth is not under the authority of satan. He did had some authority in the earth when he had the key of death, but that also has been taken away by Christ after the resurrection.

However he had the key because God gave it in the realm of permission. **Revelation 12:7-12**

Some teach that "**Jesus took the keys of hell and death from Satan**" when he went to hell to conquer Him. The Bible does not say this at all.

Satan did not steal the keys from Adam because Adam did not ever have them. When Adam and Eve sinned it brought sin and death into the world (**Romans 5**) and when people go to the grave and are not being with God when they die. There are two separate compartments in Hades, on one side is Paradise, Abrahams bosom on the other side is what we today call hell (sheol) where the unbeliever goes. “And being in torments in Hades, he lifted up his eyes and saw Abraham afar off, and Lazarus in his bosom”(**Luke 16:23**)

Jesus says in Revelation 1:18: “I am He who lives, and was dead, and behold, I am alive forevermore. Amen. And **I have the keys of Hades and of Death.**” Jesus conquered death

This means that everyone one day will be resurrected to face the judgment of Christ and either being with Him or cast away (into the lake of fire).

“And I also say to you that you are Peter, and on this rock I will build My church, and **the gates of Hades shall not prevail against it**” (**Matt 16:18**)

Rev 1:18 The word is Hades, not hell; the keys are used as an emblem of power and authority. Jesus has full control, he always did.

It is Jesus Christ alone that can save and destroy, can kill and make alive. Death and Hades are still under His dominion, and he can recall the dead whenever he pleases. He is the resurrection and the life.

The bible says; when the Son of God speaks the graves will open-
“Most assuredly, I say to you, the hour is coming, and now is, when the dead will hear the voice of the Son of God; and those who hear will live.” **John 5:25:**

Are you still with me? Or is it nappy time?

Let’s examine further the facts of high places in the following scriptures

Deuteronomy 32:13

He made him ride on the high places of the earth, that he might eat the increase of the fields; and he made him to suck honey out of the rock, and oil out of the flinty rock; (KJV)

Deuteronomy 33:29

Happy art thou, O Israel: who is like unto thee, O people saved by the LORD, the shield of thy help, and who is the sword of thy excellency! and thine enemies shall be found liars unto thee; and thou shalt tread upon their high places. (KJV)

High places are their places of authority and power, where rulers are seated, the head(s) of the or a kingdom. But these two scriptures clearly refers to people, their situation and promises, but it certainly is nor referring to fallen angels or demons.

Again I cannot emphasize enough that yes there are fallen angels and yes there is the satan and demons. But if we do not understand their environment, the real extend of their authorities al effort of fighting or war fare is in vain. Because if you are fighting in places to a non existing enemy or in a place where the enemy is not to be found then we are acting like fools. Then the devil did succeed because we are losing and spending our energy on a misguided track

While the devil is doing everything he can without the real treach of Christians.

If he has been able already to intimidate you or made you believe that he is bigger than he actually is then he has been very successful. The strongest power the devil have on people is yielding there will, however het can only do that if you have rendered your will. But still it is your will TO GIVE but ALSO TO TAKE BACK

Don't you understand that one of the biggest problems with Christians is doubt? That was the same sickness that hit satan as well. You must doubt Gods almightiness to even remotely to consider you can fight and win from Him. Then satan must have doubted eventually God Divine authority. He made Adam and Eve doubt about Godst intent causing them to eat from the tree. He tried to made Jesus doubt over the fact He really was the Son of God. Did the devil not continuously said : **If you are the son of God then?**

What kind of question is that/ Because the devil knew He was the Son of God and even Jesus knew He was, yet the devil tried to made him doubt in his weakness. Now the devil made many Christians doubt about their inheritance, their authority and so the salt has lost their power. Lets continue and discuss the Position of Christ. The strange thing is within this scripture God does not say I will make Jesus head of satan or king over him. He just refers to Jesus becoming the King over all kings on the Earth. He does not mention the devil as if he does not count whatsoever

Psalms 89:27

Also I will make him (*referring to Jesus*) my firstborn, higher than the kings of the earth.

Revelation 1:5

And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood

These scriptures refer to Christ being exalted, in power and authority, above all natural authorities and governments.

Psalm 89:44

Thou hast made his glory to cease, and cast his throne down to the ground. (*refers to satan*)

A throne was seen as a high position, but this scripture speak about an event prior to even the creation of Adam and Even. Sorry but to get into that will take an whole other study. See also Ezekiel 28 about the King of Tyrus referring to a period he had a kingdom as where he was king of. However as we have seen in Genesis, God casted satan to the ground cursing him that from that day on he would crawl in the dust. If he would be king then he would walk but he was cursed and sin of man did not break the curse because only God can lift the curse.

I know God is the one who created humor but we're really overdoing it right now by waving with the hands in the air slapping principalities out of the air (happy slapping is in), kicking, shouting and screaming to impose them. We look into the air and the fallen angels are standing right next to us looking in the same direction wondering: "what on earth are they doing?!" and they think by themselves: "are we missing something here?" We, with our doctrines, have institutionalized Satan. He is on "prozac" by now, wining before God telling Him that even he doesn't understand what's going on anymore.

Behavioral doctrine:

Many times we read the bible but were missing some parts left to discover there are many ways to fill out the Gaps.

- Study the word diligently
- Study the word historically
- Study the word on behavior

Let's talk about behavior and Identity what it is that we can learn from all the players within the word. Because in the end we only have the word to find out how we should act in various circumstances.

Why does Jesus not kick one of the so called rulers in the air out of the air? Why do I not see the apostles doing it?

Aah, I know, they did not understand the word completely since revelation progresses through time. We probably have more insight than Jesus Christ and all the Apostles together.

There are basic principles to approach God or to get revelation which you can live by and which you can use as a foundation to build on. However there are no methods to approach the Almighty. If there were to be methods we would lose the ability of having variety because everyone would start copying each other and before you know it, you've got ten ugly Tim's and twelve nasty Debra's. The reason why I am addressing this is because you have to find out for yourself what your way is to find your identity in God and what it is that the Lord demands from you The bible gives foundation to continue to build on and there is a way to copy in which you would still be doing something new. That's what Jesus did when he said: "I

can't do anything unless I have seen the father doing it" but he did it in a total different and new way. I am not going into this any further but you just figure it out, else I would have created a method, which I will not.

Again the basic principles to study the word on repetition;

Have a concordance, an encyclopedia and a Hebrew & Greek translation (a good one is the Interlinear Bible).

Secondly learn proper English (joke).

If you want revelation, choose a topic of interest and stick to that topic. I am always annoyed by daily devotionals and calendars which give you a scripture every day. What's up with that? Are we now having our own Christian horoscope?

People who are lead by these books are just saying;

"well, I will not meditate on your word by day and by night". What about "seek and you will find?", "Well, I do that every morning when I go the toilet when I open up the calendar and when I seek in today's devotional, I read that nice little scripture for that day.

Sorry my fellow mankind but that's the easy and the lazy way. However for those who really want to get closer to God and understand His word in a deep profound way, you better become a gold digger because I'm looking for those. When you look in their eyes, you will see the word "bible" just as gold diggers would have the dollar sign across their eyes. They don't want to be disturbed because they are busy digging and reading their treasure map and when you come too close, they growl at you thinking you want to steel their stuff and their riches.

So the basic principles to study the word are;

1. choose a topic
2. stick to that topic
3. Research every scripture on that topic
4. start asking questions:
 - What is written here?
 - What is happening?
 - Where is it happening?
 - Why has it happened?
 - Who are involved?
 - What led to the event?
 - What did they say and what do they do relating to their own statement?
 - What's the historical background?
 - How can I apply it today?
5. Last but not least: pray, pray and pray for revelation

I hear many Christians say: "well I am going through a dry period/season" or "I am having a desert time" implying that they are having a difficult period with themselves spiritually. Believe me, I have seen more Christians in the desert than in the Garden of Eden. They are wondering around creating unbelievable clouds of dust together so that they cannot even see the pillar of fire which is going before them just as with the people of Israel back in time. Now Jesus went into the desert but he said *"well, if I have to go, let it then be no longer than 40 days"*. He was very wise because he thought *"I better do it right at once or else I am there for 40 years"*. But one thing which is never preached when we they talk about those 40 days, is that He went into the desert filled with the Holy Spirit. He had a difficult time, that I believe, but He also had a blast since He was totally captivated by the Holy Spirit so that He did not even

drink or eat for 40 days. Jesus only went once, then why are Christians like castigate oneself over and over again?

Believe me, if I am going into the desert, I am not going to stay more than 40 days and certainly not without the Holy Spirit. But to those who are still in the desert, maybe you are there because of your rebellious behavior. If a person comes to me now a days and says

“well I am in a dry period”

or tell me they’re having their little desert time, I respond:

“that’s totally awesome! So you are completely filled with the Holy Spirit, great! I have been there it was the best time of my life!”

But if you are there not filled with the Holy Spirit, then you are in Big, Big trouble. You better start digging wells, find Oases a.s.a.p. and try to get out of there as quick as you can. How do you dig wells or find Oases? Start studying the word since Jesus says

*“I am the bread of life”, “**John 6: 63** the words that I speak to you are spirit and they are life”* and He has the living water.

Matthew 5:6: “Blessed are those who hunger and thirst for righteousness, for they shall be filled.”

John 4:14: “but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life.”

John 6:35 And Jesus said to them, “I am the bread of life. He who comes to Me shall never hunger, and he who believes in Me shall never thirst.”

The bible also tells us that if someone is delivered from demons, these demons go through dry places and dry places are also described as dessert in some translations. So here we have a bunch of Christians walking in the dessert, thinking they should be there looking for their little mountain because there is a saying which tells you, you have to walk around the mountain if you have not learned your lesson yet. This group is walking in the dessert taking a tourist tour around the mountain, totally not enjoying the site and the view, and in that same dessert there are demons wondering around who have been cast out and they need a body, as the bible says, else they will come back to their first habitation. Here is a whole group of Christians making their dessert pilgrimage and these demons see an opportunity, a whole bunch of fresh meat. In an instance, that dessert became their little heaven with new opportunities. So here are also these demons called "legion" and probably think:

"well, it did not work out with the first flock of pigs but these pigs look even better, they look like humans!"

Maybe you will counter this nice story stating that you have power over these demons in Christ, which I totally agree with if you are there filled with the authority in Christ through His Holy Spirit as is stated earlier. But if you are not filled with the Holiness of His Spirit, you're just a duck sitting there as a shooting target. If you are a scared type of Christian you better run out of the dessert because this was the place where Satan came along to have a little encounter with Jesus and you're next!

I will give you the last story to adjust your mind before we really get into the part of spiritual warfare.

I need you to understand why Jesus did what He did and how He did it. I spoke with so many Christians and leaders and asked them these simple questions:

- 1) What is the main purpose of the work of Christ?
- 2) What is the main principle which he used to do it?

Amazingly, not one has been able to answer these questions. The main purpose is to reveal the glory and the manifold wisdom of the Father and the main principle which He used was by not judging.

Let me elaborate:

When he died on the cross he did not conquer Satan but He revealed the love of the heart of the Father. He already had victory by not sinning and by living out of victory. When He died on the cross, He delivered mankind from the punishment that came along with sin. That's why He said;

Matthew 5:17-20 "Do not think that I came to destroy the Law or the Prophets. I did not come to destroy but to fulfill. ¹⁸ For assuredly, I say to you, till heaven and earth pass away, one jot or one tittle will by no means pass from the law till all is fulfilled. ¹⁹ Whoever therefore breaks one of the least of these commandments, and teaches men so, shall be called least in the kingdom of heaven; but whoever does and teaches *them*, he shall be called great in the kingdom of heaven. ²⁰ For I say to you, that unless your righteousness exceeds *the righteousness* of the scribes and Pharisees, you will by no means enter the kingdom of heaven

Ask yourself this: "if Satan was not conquered before Jesus died on the cross, how were Jesus and the disciples then able to deliver people from demons before He died on the cross"?

What did He conquer on the cross?

The Grave, the punishment of death that came along as a price with the sin. By doing so He now has the Key of Live and Death

It has been thought that **Jesus took the keys of hell and death from Satan** when he went to hell to conquer Him. The Bible does not say this at all. Satan did not steal the keys from Adam because Adam did not ever have them. When Adam and Eve sinned it brought sin and death into the world (Romans 5) and when people go to the grave and are not being with God when they die. There are two separate compartments in Hades, on one side is Paradise, Abrahams bosom on the other side is what we today call hell (sheol) where the unbeliever goes. Jesus says in Revelation 1:18: *“I am He who lives, and was dead, and behold, I am alive forevermore. Amen. And I have the keys of Hades and of Death.”* Jesus conquered death.

God the Father gave Jesus the Key because he endured and overcome. So now the father has put the judgement into the hand of Jesus. Now you choose says God : Live or Death – Curse or Blessing. Jesus took the curse and death so that you might have live and blessing. Because He was willing to accept this road and wend all the way he earned the rights of the keys of David.

The law is still there and is fulfilled in Christ however we are just no longer under the rebuke of the law. So if we stumble or fall, we are not getting the punished but find a loving God. He comes along, picks you up and says: *“come on, let’s do it better and above all let’s do it together”*. Would that not be the normal way you would do it with your child? Why do we think sometimes that God will do it different? In the gospel of Matthew it is described that if an earthly father likes to give his child good things that even more so The

heavenly Father likes to give good things to His children. However, at the same time the ladder was put higher because Jesus says later on;

Matthew 5:28 “the law tells you it is sin when someone sleeps with another woman however, I tell you that it is sin if you only fantasize about it”. Scripture

Wow, that makes life much easier.

So Jesus really wanted us to become people of a sound and controlled mind, in which the Spirit of God could dwell as it says in

Galatians 5:16-22 “walk in the Spirit and do not follow the ways of the flesh”.

That’s why the bible emphasizes over and over again that we have to subdue our thoughts to the kingdom of Christ. Our strongholds are in the mind and we keep feeding them by watching television, wrong conversations, reading gossip magazines etc. If you watch television, are the commercials not full of wrong implications? I come from a part of the world where commercials most of the time carry a sexual load but I’m sure you are familiar with this nonsense as well. Are most of the series not about divorce and sleeping with others? Are most of the movies we see not dealing with sin like burglary, murder, rape etc? Said thing to say but it is already in the cartoons for children as well and it is many times shocking what we see there. And after we watched television, we can feel empty or somehow disordered and we decide to start reading our bible or have our quiet-time with Christ. However our behavior is not different then that of the kings in the past as written in the bible:

Ezekiel 43: 7-11 He said: “Son of man, this is the place of my throne and the place for the soles of my feet. This is where I will live among the Israelites forever. The people of Israel will never again defile my holy name—neither they nor their kings—by their prostitution and the funeral offerings for their kings at their death⁸ When they placed their threshold next to my threshold and their doorposts beside my doorposts, with only a wall between me and them, they defiled my holy name by their detestable practices. So I destroyed them in my anger.⁹ Now let them put away from me their prostitution and the funeral offerings for their kings, and I will live among them forever. “Son of man, describe the temple to the people of Israel, that they may be ashamed of their sins. Let them consider its perfection, and if they are ashamed of all they have done, make known to them the design of the temple—its arrangement, its exits and entrances—its whole design and all its regulations^l and laws. Write these down before them so that they may be faithful to its design and follow all its regulations.

Since our heart has become the Temple of the Holy Spirit (**1 Cor 6:19**) we can not keep on doing these things because in the end there is a price to pay and believe me, I have been there, you’re not going to like it.

We have added new gifts to the gifts which already are and it is the gift of excuse. So many times I hear us Christians say; “*well, God knows my heart*”. Yeah that’s true because **psalm 139** says it however it became our truth which we abused. The whole world says “*God knows my heart*” but if we are not willing to do the right thing then what does it matter?

I am a father of three children and I know their hearts. They are good in every sense and have the intention to do what I say and to be obedient however the reality is that although they have the

intention to listen, they do not always listen. When I have explained something over and over again and they use the excuse

“well I was planning to...” or “I wanted to...” or even say “well I wanted to do the right thing”,

believe me it gets boring after 7 times.

There we have the but Christians. You tell them something but even before your finished they all ready say but. But here, but there, but everywhere, the got a whole cooking book with recepies of buts. What they do not understand is that they are but headed. The first Christian that wants to say but to me I immediately say sssshhhtttt go away.

We really need to get rid of the gospel of excuse because it is a weak way of excusing ourselves for a lack of character. That’s the real truth.

If we imply that we want to do the right things but don’t, are we then not still carnal minded people? We read before in the Bible where it say’s in

Galatians 5:13-22 “walk accordingly to the spirit and not accordingly to the flesh because the longing of the flesh opposes that of the Spirit and the longing of the Spirit opposes that which is of the flesh and these two stand over against one another and therefore you can not do whatever you want”.

Again, the main principle of Jesus work and why He did it the way He did it:

Jesus could not judge anyone because if he would have judged, He would have judged himself since we had to become the body of Christ. He would have judged His own body.

This is why He says:

1. Do not judge (**Matthew 7:2**)
2. Father forgive our sin as we forgive others (**Matthew 6:15**)
3. Do not point your finger to one another (**Hosea 4:4**)
4. Look at the splinter in your own eye (**Matthew 7:5**)
5. Do not take your brother to court (**I Corinthians 6:1-10**)
(that does not mean if you trespass the law of the land you are not accountable) – It means do not seek righteousness for yourself, rather leave it up to God.
6. Do not neglect your brother (your flesh which stand for your family in Christ) (**Isaiah 58:7**)
7. Love one another as you love Christ (**John 13:34-35**)
8. The way you measure you shall be measured (**Luke 6:38**)
9. Do not call your brother a fool (**Matthew 5:22 and Matthew 23:17; Psalm 14:1**)
10. Let Blessing and curse not come out of the same mouth (**James 3:10, James 1:26**)
11. Keep your tongue under control (**Psalm 34:13**)
12. Titus 2 verse 15
13. Etc.

And how do need to speak?

1. **1 Corinthians 16:11** So let no one despise him. But send him on his way in peace, so that he may come to me; for I expect him with the brethren.
2. **1 Timothy 4:12** Let no one look down on your youthfulness, but rather in speech, conduct, love, faith and purity, show yourself an example of those who believe

3. **1 Timothy 4:13** Until I come, give attention to the public reading of Scripture, to exhortation and teaching.
4. **1 Timothy 5:20** Those who continue in sin, rebuke in the presence of all, so that the rest also will be fearful of sinning.
5. **2 Timothy 4:2** preach the word; be ready in season and out of season; reprove, rebuke, exhort, with great patience and instruction.
6. **Titus 1:13** This testimony is true. For this reason reprove them severely so that they may be sound in the faith,
7. **1 Peter 4:11** Whoever speaks, is to do so as one who is speaking the utterances of God; whoever serves is to do so as one who is serving by the strength which God supplies; so that in all things God may be glorified through Jesus Christ, to whom belongs the glory and dominion forever and ever. Amen.

Now I have travelled to many nations and spoke in various cultures and discovered the more liberated the culture is the more they have trouble with Authority. I am adding this on purpose because Authority is from God, yet we all think we have a right to judge or especially to criticize those who are in Ministry. Yet the Judgement is in God's hand not ours. We may discharge certain behavior or address it when teaching becomes unbiblical. But many Christians call themselves the conscience of the church and speak against leadership if their little town is not straight. May I remember that those who spoke bad about the persons God elected in office ended up in serious trouble. Miriam and Aaron criticized Moses and they ended up terribly ill. A messenger came to King David telling Saul was killed and his head was cut off. Job's friends thought they knew it all and Job in the end had to pray for them so they would not be slain by God. Now these are few examples but many are to be found in the Bible.

This all points out how we need to deal with the body of Christ because if you treat each other bad, you treat the body of Christ bad. Hey, but the Bible tells us that judgment starts at the house?

Well believe me, you have to replace that word for “correction”. We are allowed to correct each other through the word of God without forcing our judgmental opinion, of our heart, upon them. That means if a member of the body of Christians refusing to listen after several approaches for correction, we are allowed to send that person away since it is not my judgment to do so but the word of God stating so. Someone once said: *“the common mistake people make is thinking they are preaching their Gospel but it is not theirs”*. It is the Gospel of Christ which you are applying therefore there is no need to judge out of your opinion. The Bible also clearly states (believe me this does not sound nice) that God wants us to be warm and if we are not warm then we better be cold because if you are lukewarm, He will spit you out. That means God starts feeling weird in His stomach and something is in there which is not a high nutrition for the body and He has to spit it out like a virus that needs to be swat out. I told you it wasn’t going to sound nice however it is still the word of God.

We are a part of Gods body like his organs, the white- and the red-blood cells, his bones etc. If you would look at the natural process of a human being from anatomic point of view and physiology, then you will be able to understand Gods process with mankind. You are like building blocks within His body, high nutrition and, depending on your structure, it determines through which cleaning process you have to go through before you are suitable to be delivered within the body to sustain the cells within the body to be strong and fibrin. Are you destined to be a vitamin, minerals or metals etc, do you make a difference? Are you a value to the body of Christ?. The bible clearly says that we have no excuse because God even revealed Himself through nature. Having built a stairway to heaven with simple stories, we can now focus on spiritual warfare.

The realms

Many years ago, I had such a tremendous time with the Holy Spirit in which He touched me in such an awesome way that it stayed with me for months and then bit by bit it seemed to go away. In that time, I was so captivated by the reality of how “awesome” He is. I was literally in Heaven walking among the angels in the holiness of God. I know many ministries and many denominations but you have to take my word for it: I never felt Gods presence anywhere in such a strong way as I had felt it in that time. It was just such a peace, such a freedom and let me tell you; I am getting there again and it will be seven times stronger because that’s Gods promise to me.

What went wrong? Well, it took me years of soul searching and praying to find a clear answer but I received a very clear answer on what my mistake was. There was a time that I also started to deal with demons by casting them away and binding these in the area while I did not have the sound understanding yet on this topic. I do believe in casting out demons but if we look close at the Gospel and the path of Christ then we do not see Christ continually searching for demons. The possessed came, or were brought to Him, and at that moment He dealt with them and went on. (Behavioral doctrine)

My mistake was that I started dealing with demons even if they would not be there. It became a part of my little spiritual warfare and while I should have directed my whole being to the Holy Spirit, Glorifying God and lifting up Christ, my eyes were slowly drawn away and got focused on darkness. I urge you to learn from me because this is a very important lesson. Never ever use praise and worship to attack Satan or to drive him away because it is an abomination to God. He really hates that and it makes Him angry.

A big mistake was using the Praise and Worship as a tool to deal with demons. That the effect of demons fleeing away because of good Praise and Worship is a wonderful after effect/ But it is not the purpose how we should practice it. Praise and Worship is an offering which is laid on the altar and the smell of it goes straight to heaven.

People started using praise and worship in such way based on a scripture and even made songs on it like:

"I went to the enemy's camp and I took back what he stole from me".

Well, if the enemy stole from you, you're saying that you were sleeping and were not watching at that time so that the thief came by and was able to take your stuff else you do not have to steel back anything. God is our strong tower **Psalm 63:1** and *"greater is He that is in me than he that is in the world". 1 John 4:4*

If you got robbed it means you were not in the strong tower and/or were not wearing your armor at that time.

Does the bible not state on another occasion that the day of the lord will come as a thief in the night **1 Thessalonians 5:2-4** If you lost all, maybe God took it away because you were sleeping?

I allowed myself to be focused more and more on a so called fight with darkness and slowly walked away out of the light. Satan cannot come into the light although others taught and preached something else, it is incorrect. There where light is, darkness has to flee so Satan can not come near due to God's glory around you because the radiance of His glory blinds him unless your light is darkness. In that case *"if your light is darkness, then how great is your darkness?" Matthew 6:23.*

Keep your eyes on God

- **Deuteronomy 4:29,**
- **Colossians 3:1-4**
- **Hebrews 12:1-2**

There where light is darkness has to flee

- **1 John 1:5**
- **John 8:12**
- Martin Luther King, Jr.says beautifully **Darkness cannot drive out darkness; only light can do that.** Hate cannot drive out hate; only love can do that.

Darkness can not come to the light

- **John 8:12**
- **1 John 1:5-7**

When Adam and Eve heard God in the Garden of Eden after they had fallen due to sin, they immediately hide themselves. They could not get to the light and God had to call them before they were even able to move slightly. When Israel came to mount Sinai, they were not allowed to get up on the mountain so that they would not see the glory of God. They were pointed out by Moses to their designated circles, not as a limitation but for their protection (**Exodus 10:12**). Because, if they would not be in their designated circle as Gods glory would be coming down, it would have killed them. So for those who are frustrated sometimes about their position or find themselves blocked on a spiritual level; try to remember this. God Himself hides in a cloud of darkness for our protection so that we are not blinded by the unbelievable radiance of His glory since He abides in a light so bright that we would not be able to detect Him. Back again to the little fallen angel; he still has the ability to whisper out of the realm of darkness and tries to get your attention misguiding you into such a thing as spiritual warfare. What happens is that you are taking your eyes off from Christ

because you get annoyed by that little voice and start dealing with it. It is the same obvious mistake Adam and Eve made so while you are trying to deal with it, you walk to darkness instead of ignoring it.

Trying to discover where the whispering comes from :

“Who is calling me?”

“Hey who are you?!”

“Is there something?” Etc.

Now we’re getting warmed up.

“In the name of Spiritual warfare we rebuke you in Jesus name!”

Then it is quiet for a while, great, you think;

“you see; I have overcome in Christ”

After two weeks, another issue arises again; a little voice but on another topic. Here you go again, walking bit by bit to that little voice which seems close but yet so far.

“In the name of spiritual warfare I rebuke you in Jesus name!”

But this time, the voice is a bit tougher. Maybe you need to get closer?

More and more your heart is drawn away from God and you are more focused on you naturally circum-stances (like Peter did when he stepped out of the Boat towards Christ, as soon as he stopped looking at Jesus and looked at his circumstances he got into trouble). Your eyes are now focused on the enemy and to be able to deal with the enemy, you have to get into the darkness and leave the strong

tower. You were thinking that it was the right thing to do, but at the same time you were experiencing a loss of safety, righteousness, peace and joy. The bible is full samples as were the people started to walk away and trusting help on others instead of the Lord and it always ended bad. Nowhere in the Bible it is written that we should attack Satan or fallen angels. Still many Christians have fallen into that trap. Now, if I would come by and we meet each other in the street and I walk towards you and slap in the face for no reason (Happy slapping), we would probably get into a fight (I will only do that, if I'm sure that I am stronger). If you go to the enemy wanting to fight, you will get into a fight that's the way it works. That's why Jesus warned if someone slaps you, don't start a fight but let him because if you do not respond back it will stop. Matt. 5 : 39

Full letter of Jude contains a very stange message

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that **ye should earnestly contend for the faith which was once delivered unto the saints (This speaks about us)**. For there are **certain men crept in unawares, who were before of old ordained (People as us us whom were put into place)** to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ. I will therefore put you in remembrance, though ye once knew this, **how that the Lord, having saved the people out of the land of Egypt (Meaning saved from oppression the world and sin),** afterward destroyed them that believed not. **And the angels which kept not their first estate, but left their own habitation (The fallen angels "Lucifer and 1/3 of the angels")**, he hath reserved in everlasting chains under darkness unto the judgment of the great day. Even as

Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire. **Likewise also these filthy dreamers defile the flesh, despise dominion, and speak evil of dignities (The fallen angels and man that walked away from God). Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him (meaning satan) a railing accusation, but said, The Lord rebuke thee. But these (These who? It was to those to whome the message once was delivered) speaking evil of those things which they know not:** but what they know naturally, as brute beasts, **in those things they corrupt themselves (This little part does not speak about the fallen angels but about man, because the next sentence refers to the way of Cain. So read on).** Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gain saying of Core. **These are spots in your feasts of charity, when they feast with you (Meaning they are amongst us),** feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withereth, without fruit, twice dead, plucked up by the roots; Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever. And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him. These are murmurers, complainers, walking after their own lusts; and their mouth speaketh great swelling words, having men's persons in admiration because of advantage. But,

beloved, remember ye the words which were spoken before of the apostles of our Lord Jesus Christ; How that they told you there should be mockers in the last time, who should walk after their own ungodly lusts. These be they who separate themselves, sensual, having not the Spirit. **But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost,**

What you need to understand is that if we start speaking about things we do not fully understand it will become our downfall. Here Michael the Arc Angel does not judge satan. He is very carefully with his words and leave it up to God. This same letter says that these fallen angels are kept until the Judgement day when Jesus comes back with the saint to pass judgement. If you start judging out of the timeline and without consent of the King of Kings. Then you are out of time, out of line and out of order. That's why many things go wrong in Christians live. You then are creating your own downfall

The same letter also states clearly that the fallen angels have been preserved in chains until judgement day. SO can anyone tell me how it would be possible for fallen Angels to be principalities over cities. Because they are chained and kept in a specific place until the final Judgement day. So if they are not the once then maybe they are territorial demons? That would be impossible to, because demons are not like angels royal beings so the name principality would not apply and that's what the bible just say. God says continuously through His word I put Kings into places and I take them away.

So the principalities over so called cities are not fallen angels and they are not demons. Then who the heck are they? Just kings of flesh and blood were God refers to that He send His angels to deal with the

internal politics convincing the High principalities to listen to Gods word?

Satan knows his right he is not converted to Christ and not mercifull. If you go to him and slap him he will kick you back right in the face. When the Christian finds him- or her self laying on the ground, the Christian starts wining and starts to use every scripture in the bible that speaks of the victory in Christ. These scriptures are absolutely true but used on the wrong moment because you should not have ended up on the floor. You're there because you got into an unlawful fight in the name of spiritual warfare. You are doing something that God has not asked you to do. So if you're losing the battle and start wining to God, He can only interfere if you set th erectors straight by acknowledge and repent. Because Satan will say to God;

"I did not start this, he did".

That's how you brought yourself into trouble.

You don't see Jesus dragging Satan by his hair through the dessert singing a little victory song. You don't see the apostles kicking all kinds of fallen angels from one city to another because if we would; suppose these fallen angels would rule over cities, where do they have to go then since they are confined to the earth? All that would happen is that you would kick the fallen angel of Amsterdam to New York. Now lets hope they have a TomTom to guide them because with all the kicking going around they might have the tendency to loose they way. European Christians irritated by the American Christians and visa versa, blaming each other to keep there mess in their own garden. Don't you see how irrational certain behavior became to such extend that it is brought fully out of context.

Hey, I got a new business plan; let's start a traveling agency for fallen angels! Come on now, it is time for common sense. Are we so ignorant? Did we lose our brain somewhere? If that's the case go and find it back right now. Sorry people but there is a total misinterpretation and misunderstanding of the word of God and if we have determined to start a fight with a being of darkness, then you have to enter the arena of darkness since they can not enter the realm of light. But maybe you're already living in darkness not knowing it and then you are in big trouble.

Matthew 6:23 *"if your light is darkness, how dark is your darkness".*

The weird thing is it says if your light – did you the the word YOUR.

There are ministers who used to serve Satan as priests or in other freaky jobs and eventually got out of their captivity. Glory to God for that! But after they came out, being delivered (at least that's what I hope for them), they started a ministry and started to feel compelled to deal with Satan and his copartners in sin. The mistake is that they still carried the knowledge of their past experiences of their service with/for Satan and think that they have strategic insight in the operations and the structure of Satan and his partners in crime. With this knowledge, they misinterpreted scriptures which seemed to support their thoughts, and started to build their theology. That is really the biggest mistake because their truth of how things would operate in darkness and the image they still have of Satan and his little system, was gathered in a time of cooperation with THE liar and THE deceiver being under the lying influence of THE liar and THE deceiver who does not speak the truth but is the father of lies therefore this information can not be considered as

“the truth and nothing but the truth” neither can it be used as revelation and so called “strategic insight”. You’re taking the old information into your new life. I love you but it’s totally wrong because God will never build his theology on our experience and our insight but builds on the foundation of Jesus Christ who is the living truth.

Roman 8:32 “You shall know the truth and the truth will set you free”.

Never ever take knowledge from the tree of good and bad into your new Christian life because

Genesis 2:17 “the day you will eat from it, you will surely die”.

Yes, you have entered the Garden of Eden and are experiencing the beauty and the fragrance of Gods perfect Glory. There are wonderful trees with fruits you have never tasted before which are an excitement to your body and your soul. However, if we think that we should use that knowledge, which we received in the past, in the same Garden of Eden then we become like the snake because we walk up to Gods people and take them to that tree causing their hearts to be focused on that which they should not focus.
